CERTIFICATE *of* COURSE COMPLETION

Public Information Act

I, **Lucy Adame-Clark**, certify that I have completed a course of training on the Texas Public Information Act that satisfies the legal requirements of Government Code, Section 552.012.

Certificate is issued effective this 16th day of October, 2007.

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

NOTICE TO CERTIFICATE HOLDER: You are responsible for the safekeeping of this document as evidence that you have completed this open government training course. The Office of the Attorney General does not maintain a record of course completion for you and is unable to issue duplicate certificates. Government Code Section 552.012(e) requires the governmental body with which you serve to maintain this Certificate of Course Completion and make it available for public inspection.

Certificate No.: 07-94265P

To: Whom it may concern

Fr: Sergeant Ruben C. Gonzales#250
Booking Operations Liaison

Re: Lucy Adame-Clark

Date: October 16, 2007

I have been employed with the Bexar County Sheriffs Office for 27 ½ years. I have known and worked with Ms. Adame-Clark for the past 11 years.

In our working environment (Booking Operations/Central Records) Ms. Adame-Clark demonstrates the skills needed to maintain the highest standards of professional excellence.

Ms. Adame-Clark makes a substantial contribution to the continued operation and growth of both operations, she also displays an ability to learn rapidly and adapt quickly to changing situations.

In my supervisor and management position, I have observed Ms. Adame-Clark as a self-motivator and compulsive achiever with her daily duties.

I strongly recommend and believe that Ms. Adame-Clark has the ability and skills in achieving her endeavor in any supervisory assignment.

Sgt. Ruben Gonzales #250

Sergeant Ruben C. Gonzales#250
Booking Operations 335-6442

October 16, 2007

To Whom It May Concern:

I would like to take this opportunity to recommend Ms. Lucy Adame-Clark, for the position of Cmag Supervisor.

I have been her immediate supervisor, in the Central Records Division of the Bexar County Adult Detention Center since 1998. Ms. Adame-Clark presently hold the position of Records/Identification Clerk.

Ms. Adame- Clark is very knowledgeable in the area of completing Court Paks for the District Attorney's Office, Fingerprint Classification, Error Resolution, and Deceased files. She works closely with the DA's Office with Mis-Identity Theft victims. She is Fingerprint certified. She is certified to work with the Automated Fingerprint Identification System. She is especially knowledgeable in the correction of Double Sids, Bad Raps and identifying erroneous paperwork. She is very knowledgeable with the NCIC/TCIC system.

Ms. Adame- Clark possesses good communication skills. She conducts herself in a professional manner. She is extremely unique in the area of customer service. She constantly sharpens and updates her skills. She always seeks new ideas and approaches when conducting business. She is self-motivated and can work with little to no supervison. She maintains an excellent repore with everyone at the Sheriff's Office. She displays a positive attitude towards her job and others.

Ms. Lucy Adame Clark is a very confident individual, therefore performing at a high energy level. Her attendance is excellent. I am proud of Ms. Adame-Clark for wanting to achieve higher goals for herself. She would make an excellent supervisor.

Respectfully,

Guadalupe Montez

Guadalupe Montez
Records/Identification Supervisor
Central Records Division

Date	October 31, 2007
To	whom it may concern
From	Sgt. Rogelio M. Contreras #1240 Intake & Release Supervisor
Reason	Letter of Recommendation for Lucy Adame-Clark

I have been the supervisor for the Main Booking Section for the past 12 years and I have had the pleasure of working with Mrs. Clark for the past 11 years. I can always count on Mrs. Clark's professionalism and quick response to solve any problems that occur in our section, thus making her a valuable bridge between our sections. Mrs. Clark has shown that she can adapt and overcome any obstacle that arises. She displays self-motivation, quick to learn and retain new procedures and always willing to teach others on how to properly perform their duties. I have seen Mrs. Clark working around her peers, where she is the constant motivator, up beat, trying to instill the positive in performing their duties. I truly believe Mrs. Clark will be a valuable asset to your department in a supervisory capacity.

Sgt. Rogelio M. Contreras #1240
Office #335-6292

November 28, 2007

To Whom It May Concern:

I, Maria Acuña-Rhodes Administrative Assistant I (Fingerprint Classifier Supervisor) for the San Antonio Police Department Identification Unit have had the pleasure of working with Mrs. Adame-Clark from Bexar County Central Records Division since 2005 on numerous occasions. Her assistance to our unit has proven to be very valuable and has ranged from Identity Thefts, bad raps, unidentified deceased individuals, wrongfully identified deceased individuals, wrongfully booked individuals, triple and double sids, and individuals with driver license suspensions. All of which involve a great amount of initiative, determination, researching, analyzing, fingerprint comparison, attention to detail, and excellent communication skills with various law enforcement agencies. Mrs. Adame-Clark is organized and efficient and has a wonderful perception of customer service.

It's often difficult to hire and retain good employees and my experience with Mrs. Adame-Clark would indicate you have a great employee. Mrs. Adame-Clark deserves serious consideration as a potential employee, and I recommend her highly.

Sincerely,

Maria Acuña-Rhodes

November 30, 2007

Chief Longoria
Capt. Rickoff
200 North Comal
San Antonio, Texas 78205

To Chief Longoria and Capt. Rickoff:

I would like to recommend Lucy Adame-Clark for the Automated Fingerprint Information System Technician position with your department. As a prosecutor for the Bexar County District Attorney's Office handling the identity theft expunctions in our office, I have had the opportunity to work alongside Lucy since 2005. Lucy did an excellent job in this position and has been a pleasure to work with. She is extremely organized, thorough in her research, and has an excellent rapport with our identity theft victims.

In her current position, Lucy is responsible for fingerprinting victims of identity theft or misuse. She then compares those prints to a known suspect or arrested person to verify that the victim is not the same individual who has assumed the victim's identity. She conducts research on each individual's criminal history, and prepares all necessary documentation to be forwarded to other law enforcement agencies such as the Texas Department of Public Safety. This instructs them to properly adjusted and correct their records. This job is extremely detail oriented and Lucy has mastered it. She is an excellent problem solver and is effective in handling identity theft victims in addition to her regular Error Resolution/Records Division duties.

Lucy is always a pleasure to work with, is extremely thorough in her research, and is always willing to offer her expertise when a question arises. She would be an asset to this position and I highly recommend her for this endeavor.

Sincerely,

Angelica Solis

November 30, 2007

To Whom It May Concern:

I have worked closely with Lucy Adame-Clark with issues regarding Error Resolution and Identity Theft for approximately two years. Mrs. Adame-Clark has an excellent work ethic in always displaying excellent time management, researching, and customer service skills. Mrs. Adame-Clark goes above and beyond in the assistance of Identity Theft. Customers first come to the Identification Unit with their claims of Identity Theft feeling distraught and hopeless. Customers often face financial problems because they can not get employed, can not get qualified for financial aid for food, can not get financial aid for school, or can not get housing assistance due to a criminal history that does not belong to them. Their first step is to come to the Identification Unit and a follow up is arranged with an appointment for them to see Mrs. Adame-Clark at the Bexar County Sheriff's Office. Customers leave Mrs. Adame-Clark's office often feeling relieved that Mrs. Adame-Clark has done everything possible to help them. Identity Theft is a fast growing crime in San Antonio and Mrs. Adame-Clark adjusts her schedule to meet the needs of the public with great success.

The Identification Unit also seeks Mrs. Adame-Clark's assistance in Error Resolution regarding double SID s, and miss-identifications also known as "bad raps". Mrs. Adame-Clark's research is always efficient and precise. Human error is inevitable, but with the Identification Unit having an ally in Mrs. Adame-Clark all errors are quickly discovered, thoroughly researched, and corrected.

I will close this letter of recommendation with my sincere anticipation of Mrs. Adame-Clark's success in any position for which she applies.

Sincerely,

RE: Letter of Commendation / Appreciation
Lucy Adame-Clark, Records Identification Technician

Dear Sheriff Tafolla:

I would like to take this opportunity to thank your agency for the professional, courteous and helpful service your department has provided / provides to us.

I would like to give special recognition to your Records Identification Technician, Ms. Lucy Adame-Clark, who is extremely conscientious and willing to assist our department in every way possible. It is refreshing to encounter someone who visibly enjoys her work and has a true sense of team spirit with a strong fervor to assist a fellow colleague. Through Mrs. Adame-Clark's diligence, professional work ethic, and attention to detail, she enables the Texas Department of Public Safety in providing the most accurate arresting information within San Antonio, TX and Bexar County to all local and State law enforcement agencies as well as the FBI, DEA, ATF, Homeland Security etc.

Mrs. Adame-Clarks' pleasant, courteous and professional attitude reflects the outstanding service your department has to offer. Please convey our best regards to Mrs. Adame-Clark for her gracious support. If we can be of any assistance to you or your department please do not hesitate to call.

Sincerely,

LETTER OF RECOMMENDATION

December 10, 2007

To Whom It May Concern,

Lucy Adame-Clark has been a great assistance to the Bexar County Medical Examiner's Office for the last few years, with regards to assisting our Office in identifying deceased individuals. Most of the time, these deceased individuals do not have the best fingerprints to process for a positive identification. But, Lucy's meticulous work ethic, character, communication skills, and professionalism in the Central Records Identification Unit is above commendable with regards to identifying deceased persons.

I would personally recommend Lucy for any position, simply because of her consistent work ethic and professionalism. Lucy has my complete confidence in her ability to identify a deceased person, after everyone else cannot may the identification. Lucy will exhaust all avenues in her efforts to assist our Office to identify a deceased person. Please contact me for any further information on Lucy, my work phone extension is 210.335.4011.

Thank you,

Jerry Leyva

Dear Sheriff Tafolla:

This letter is to "thank you" for allowing Deputies Bryan Clark, #1966, and Lucy Clark, Central Records Department to attend our festival on October 18, 2008. Both Deputies were most helpful and courteous with the children who enjoyed having their fingerprints taken. Both deputies are in our thoughts and prayers each Sunday along with all deputies and law enforcement officers. The 2008 Fall Festival at the church was a big success for both adults and children in the Collins Garden community.

Needless, to say everyone had a great time and turkey dinners were eaten and enjoyed by all. It would not have been possible if not for the generous support and time of these deputies.

Again, thank you so much and many blessings.

Sincerely,

David Cervantez, Pastor

December 10th 2008

Dear Sir,

On October 10th of 2008 a string of six robberies occurred in the central service area of SAPD. A seventh robbery was committed by the same actors at a VFW in the south service area. During the last robbery the actors shot the victim killing him at the scene. Detective Angell of the SAPD Homicide unit and I had limited evidence to work with on these cases. The best lead we had at the onset of the investigation was fingerprints obtained from the vehicle the actors used in their crime spree. I had the prints run through the city AFIS system and no hits were obtained. I then called the Latent Examiner for the Sherriff's office, Lucy Adame-Clark. When I explained the situation to her over the phone she immediately agreed to work with the prints we had. I hand carried the prints to Mrs. Adame-Clark with the case information. The same day I was called back by Mrs. Adame-Clark. She had obtained a print match from the submitted prints and gave us the actor's information. We now had a suspect to work on with the match obtained by Lucy Adame-Clark.
Due to Lucy Adame-Clark's professionalism, interdepartmental co-operation and job knowledge six robbery cases were filed on the actor as well as a capital murder case.
I would like to express my gratitude and would like to commend Mrs. Adame-Clark on a job well done.

Detective Eric Schepis #2411

Bandera County Sheriff's Office

Date: April 2, 2009

To: Sgt. Russell McWhorter

From: Inv. Gene T. Collum II 8333

Ref: Lucy Adame-Clark Latent Examiner (15878)

Dear Sgt. R. McWhorter,

I would like to take this time to highlight and express great appreciation to you and your department for all of the assistance of which we have received both past and present. I would *especially* like to bring it to your attention and the attention of your superiors as to the assistance provided by Lucy Adame-Clark to the Bandera County Sheriff's Office.

I wish to extend the many thanks from several of our investigators and staff regarding the assistance Lucy has provided us. It should be known that Lucy has on several occasions gone above and beyond her scope of duty to help us on several of our cases. You should be very proud to have an employee representing your department as she has shown us nothing less than the utmost care and professionalism when assisting us. I am aware of her work load to not only include processing your department's prints but other departments as well. She has always volunteered her efforts and time to us without complaining regardless of the task. She has always demonstrated to me a great source of knowledge in her field and has also shown a sense of humbleness when accomplishing her tasks by never taking full credit for her accomplishments and acknowledging those who have assisted her. She repeatedly assisted me with finding the answer when she did not have one.

In closing, I would like to once again commend your office and Lucy above all for assisting us with our needs. I feel that you department has a great asset and is extremely lucky to have her as a part of your team. I would please ask that this letter be attached to her personal file and others be made aware of her efforts.

Thanks,

8333

Dear Sir:

I have been informed that over the past two years Lucy Adame-Clark has assisted this department with multiple investigations. My investigator has advised me that her assistance has always been professional and efficient. Her personal dedication and hard work has facilitated this department's investigative ability to solve crime.

Our department has limited resources and we must rely on outside agencies to complete our finger print comparison and analysis. I would like to extend my thanks to Mrs. Clark for her assistance and professionalism.

Thank you,

Greg Whitlock

Dear Mrs. Adame-Clark:

I would like to express my thanks at the great work that you and your office recently put forth in assisting our unit with latent print identification. Your hard work and technical knowledge was instrumental in positively identifying a second subject responsible for two residential burglaries that occurred at Lackland AFB, TX. Your effort and additional time spent assisting in this investigation has not gone unnoticed by our unit and the United States Attorney's Office.

Your excellent latent print identification will be instrumental in obtaining an indictment and subsequent conviction of the suspects involved in this investigation. Again thank you, the dedication of you and your agency is greatly appreciated.

If our unit can be of any assistance to your agency in the future please do not hesitate to contact me at 210-671-3526.

Roger Duncan, Sheriff

AO 7/18/11

July 15, 2011

Sheriff Amadeo Ortiz
Bexar County Sheriff's Office
200 N. Comal
San Antonio, Texas 78207

Re: Lucy Adame-Clark

Sheriff Ortiz,

It is with the greatest appreciation that the Kendall County Sheriff's Office expresses our sincerest gratitude for the assistance we have been provided over the years by your Latent Print Examiner, Lucy Adame-Clark.

Ms. Adame-Clarks expertise is an integral part of the law enforcement process and serves a vital role in solving crimes. The analysis has been critical to the successful conclusion of numerous Kendall County investigations. Ms. Adame-Clarks notable work has not only assisted with our investigations but has also contributed to the apprehension, prosecution and successful conviction of numerous suspects.

I would like to thank you and Ms. Adame-Clark for the dedication and hard work. The assistance is invaluable as it facilitates the ability of our agency to identify offenders and improve our community, we are truly grateful for all the collaboration and support.

With kindest regards,

Roger Duncan

Amadeo Ortiz
Bexar County Sheriff
200 N. Comal
San Antonio, TX 78207

Dear Sheriff Ortiz:

I would like to take the opportunity to commend one of your staff, Ms. Lucy Adame-Clark, for her continuing assistance in conducting fingerprint identifications on decedents from the Bexar County Medical Examiner's Office. As you are well aware, positive identification of decedents is of paramount importance in our operation. Without this, families cannot be contacted, criminal investigations may be compromised, information on habits, contacts, and medical history cannot be obtained, and deceased persons may be interred anonymously at County expense. One of the first methods we employ to establish identification is fingerprint comparison, and Lucy has always been tremendously helpful in going "above and beyond the call of duty" to do fingerprint examinations for us. When we are able to quickly establish a positive identification of a decedent via fingerprint examination, we are often spared extensive further work-ups such as formal dental examination, complete x-rays of the body, comprehensive autopsy examination, and DNA characterization. All of these activities are time consuming and expensive, so by providing us with fingerprint identification, Lucy saves our office and Bexar County significant amounts of time and money.

Comments from our doctors, investigators and autopsy technicians are uniformly glowing in their assessment of her professionalism, ability, and enthusiasm. I am told that her work is preferred over that of other agencies, including the FBI and DPS, because of her tenacity, diligence and patience in doing everything possible to get that all-important "positive ID". When other agencies have given up, Lucy continues to work and often saves the day.

Dedication and professionalism of this magnitude are all too often not given sufficient recognition, so please convey our sincere and continued appreciation to Ms. Adame-Clark. Without her expert help, our ability to do our job for the citizens of Bexar County would be much more difficult.

Best regards,

Randall E. Frost, M.D.
Chief Medical Examiner

Sheriff Ortiz,

I would like to take a moment of your time to commend Lucy Clark for assisting us in our time of need. We had a John Doe who was the victim of a crime in Atascosa County and were unable to identify him. Due to John Does' deteriorating medical condition, we were in a hurry to identify next of kin, in regards to pending medical decisions.

Our officers obtained fingerprints and asked for assistance from SAPD and BCSO. Lucy Clark quickly volunteered to assist us and was able to help us identify our patient when it seemed as though no one would be able to. With Lucy Clark's assistance, we were able to identify our patient and locate next of kin.

Lucy Clark has proved to be a valuable resource for our department now and in the past. Lucy Clark strives to leave a positive first impression to all visitors and officers who enter your facility. Lucy was kind enough to follow up with us and asked if there was any way to provide further assistance.

I would also like to extend our gratitude for everything you and the Bexar County Sheriff's Office provide for all Peace Officers and patrons in the State of Texas. Our sincerest gratitude and thanks from our department to yours.

Respectfully,

Sergeant Fernando Padron

To Whom It May Concern,

I am writing this letter of reference for Lucy Adame Clark, who is the Fingerprint Comparison Expert for the Bexar County Sheriff's Office. Here at the Bexar County Medical Examiner's Office we rely heavily upon Bexar County Sheriff's Office fingerprint examiner Lucy Adame Clark to make positive identifications on a lot of our decedents. Many of these decedents are decomposed and/or not visually recognizable and their fingerprints are the only way to positively identify them.

Lucy's work can only be described as incredible. She compares our decedent's fingerprints and the decedent's known fingerprints in a very timely manner. This is important to the decedent's family members who are making the decedent's funeral arrangements.

She has noticed discrepancies in cases that most fingerprint examiners probably would not have noticed. On different occasions, our autopsy technicians have de-gloved a decomposed decedent's fingerprint and turned the de-gloved finger pad inside out causing a negative image fingerprint. The negative image fingerprint would not have matched to the decedent's known fingerprint if it would have been entered into the Automatic Fingerprint Identification System (AFIS). If Lucy would not have caught this error, these documents would have been buried in a pauper's grave as an unidentified individual.

Lucy's work continues to be impeccable and professional. Her rapport with our office makes the identification of a decedent easier. We look forward to Lucy's tenacious work for years to come. The citizens of Bexar County are deeply indebted to Lucy Adame Clark for her commitment and success in her work.

To: Lucy Adame-Clark,

I would like thank you for being a guest speaker at my Survey of Forensics class at St. Mary's University. I believe that it is vital to have people who have real world experience share their knowledge with those who are potentially going to enter the field after they have completed their educational endeavors.

It can be very difficult to find competent people to who are willing to share their experiences with students. It is even more difficult to find those who are not only in top of their field, but also passionate about their job. This is one quality that you not only have, but you have a drive and devotion to the field of dactylology that is apparent to anyone who is fortunate enough to hear you present the material to them.

Your presentation was very well received as evidenced by the interest in your presentation. There have been several inquiries about the field of dactylology following your presentation. Thank you again for sharing your experience and knowledge with the class.

Roger Milam
