### **The San Antonio/Bexar County Point in Time Count**

The Point-In-Time Committee will conduct a street count of homeless individuals in San Antonio/Bexar County on Thursday, January 29, 2015 as part of the 2015 Point-In-Time Count coordinated by the South Alamo Regional Alliance for the Homeless (SARAH) Continuum of Care. The Point-In-Time Count is a survey of both sheltered and unsheltered homeless persons that is conducted in every county in the State of Texas and across the Country.

During last year's count, there were 1,970 sheltered and 922 unsheltered homeless individuals and that were counted in the San Antonio/Bexar County region. We attempt to survey as many individuals as possible in order to determine what their needs are and how service agencies can help them achieve productive and self-sufficient lives.

To volunteer to assist with the count (must be 18 years or older), please go to the events page on [www.havenforhope.org](http://www.havenforhope.org) and register.

Donations of socks, travel size hygiene items, or fast food vouchers are always welcome. Contact Dianne Talbert @ (210) 569-4026 or Julie Olsen @ (210) 901-0185 to donate or for additional information.
