## County burn ban is lifted

The ban on outdoor burning in unincorporated Bexar County has been lifted. The recent rain and lower temperatures have dropped the Keetch-Byram Drought Index for the area to a safe level, Fire Marshal Craig Roberts said.

Although the ban has been lifted property owners should call the Fire Marshal's office at (210) 335-0300 before burning to receive a burn permit number. Burning will be permitted until one hour before sundown.
