## MESSAGE FROM THE BCSO ACADEMY COMMANDER

TO ALL SWORN BCSO STAFF REGARDING TCOLE TRAINING MANDATES  
MAY 2016

TCOLE Licensing Training Mandates

The 1<sup>st</sup> 24 month training cycle ended in 2015 and the 2<sup>nd</sup> 24 month training cycle for licensed individuals is currently running from 9/01/2015 - 8/31/2017. It is imperative that all sworn staff complete their training mandates prior to the end of the 08/31/2017 cycle in order to maintain their license in compliance with BCSO policy and TCOLE rules and regulations.

All sworn staff are encouraged to review their individual training records online on the Texas Commission on Law Enforcement website by visiting [www.tcole.texas.gov](http://www.tcole.texas.gov) and clicking the "Log In to MyTCOLE Account" button to access their individual training record.

The BCSO Academy offers the mandated courses and many other courses as standalone and in-service training. Please visit our website at <http://www.bexar.org/776/Sheriffs-Academy> to view our course listings or call us at 210-335-6229 for assistance. You are reminded to provide a PID number when emailing registration requests with supervisor approval. All registration requests are to be submitted to [training@bexar.org](mailto:training@bexar.org). If you missed a class at the academy TCOLE offers free online courses on the MyTCOLE Learning website. You can also access a list of training providers at <http://www.tcole.texas.gov/contract-training-providers> or you may call TCOLE at 210-512-936-7700.

The information provided in the summary sheet below is an outline of the TCOLE 2013-2017 Mandated Training cycle. The list does not include training required to obtain a proficiency certification. Please refer to this information when reviewing your training records to ensure your license is not in jeopardy of being suspended by TCOLE.

Respectfully,

A handwritten signature in blue ink, appearing to read "Mike Davis".

Deputy Chief Training, Policy & Planning

## **IN-SERVICE TRAINING COURSE DESCRIPTIONS**

BCSO Academy In-service training for the Fall Quarter will take place from September 2016 to January 2017. Training for deputies who hold a “jailer only” TCOLE license will consist of an 8 hour (1-day) session which includes the annual firearms qualification. Jailer only licensed deputies will have the option to register to attend an 8 hour training course on Tuesdays (combined with peace officers). The 8 hour training course will repeat on Thursdays (including annual firearms qualification) which will offer another option for jailer only licensed deputies to attend and complete the annual firearms qualification.

A 24 hour (3-day) session will be held weekly Tuesday through Thursdays for all LE and Detention deputies who hold a peace officer’s license (20 hours TCOLE credit & Annual Firearms Qualification). The 3-day sessions will consist of a combined first day for all peace officers and jailers regardless of jailer or peace officer license. Those who have a jailer only license will attend only 8hrs of training and complete the annual firearms qualification. A break-out session for peace officers may be offered on the second day of training (Wednesdays) to those who hold an Intermediate, Advanced, or Master peace officer certificate provided there are 5 or more eligible students in the class who hold an Intermediate or above peace officer license.

- Note: Deputies who wish to attend a break out session must show proof (TCLEDDS transcript) that they have been awarded the intermediate or above peace officer proficiency certification and sign up for the break out session on the first day of training. Deputies will be notified by the end of Day 1 if there were sufficient students to conduct the breakout session on day 2. On day 3 (Thursdays) all students will return to the same classroom to complete combined training.
- All jailer and peace officers will complete firearms qualification during in-service training.
  - Firearms qualification for all peace officers will take place on Tuesdays
  - Thursday courses offered for Jailer Only licensed deputies will include firearms qualification
- Deputies assigned to CID will complete their annual in-service training internally and will coordinate their training sessions with Training Division and the Academy registrar for TCOLE credit reporting.
- All BCSO staff must be authorized to register/attend training by their supervisor for all training whether on-duty or off-duty.

## **BCSO RETIREE INFORMATION**

*Instructions for Retired Peace Officers requesting to demonstrate weapons proficiency:*

Under provisions of the Texas Occupations Code, Title 10, Section 1701.357, retired Texas Peace Officers may apply for an opportunity to demonstrate weapons proficiency in order to carry a handgun. On successfully demonstrating their proficiency they may be issued a certificate of proficiency card, attesting to their proficiency.

This card must be accompanied by the bearer's Retired Peace Officers identification card in order to legally carry concealed as a retired peace officer (Texas Penal Code 46.15(a)(5), and 18 USC 926c).

Retirees desiring to qualify for a certificate of proficiency under Occupations Code 1701.357 shall contact the Sheriff's Academy firearms training unit (FTU) to schedule a range date appointment. The retiree needs to report to Personnel to fill out an application (BCSO Form #350-443) for your retired credentials.

1. Fees: As approved by the Bexar County Commissioner's Court, a fee of \$35.00 shall be paid by anyone applying for a certificate of proficiency. Applicants may submit payment in form of a money order made payable to Bexar County Sheriff's Office. The Sheriff's Academy is located at 3805 Farm Road, San Antonio, Texas 78223. Personal checks or cash WILL NOT be accepted.
2. Affidavit: On arriving at the Sheriff's Academy at the date and time of their appointment the retiree shall report to the Firearms Training Unit (FTU) staff, either at the Academy or at the firing range, as directed by the FTU.
  - a. The retiree must complete a sworn affidavit affirming that:

    - iii. The officer has no psychological or physical disability that would interfere with the officer's proper handling of a handgun.
    - iv. He /She has never been convicted of a family violence offense and is not now charged with a family violence offense.
  - b. Once signed, the retiree will be sworn to the truthfulness of the affidavit by a licensed peace officer on the FTU staff and the affidavit and a copy of their paid receipt will be scanned and filed with the retiree's weapons qualification records.
3. Qualification: Retiree's shall provide their sidearm for inspection by the Firearms Proficiency Control Officer (FPCO) for his/her safety inspection and approval (Texas Admin Code 218.9). If the sidearm is semi-automatic they must have at least 2 magazines for that weapon. Only a holster made for that weapon will be accepted. NO INSIDE THE WAISTBAND OR INSIDE THE POCKET HOLSTER IS TO BE USED. NO EXCEPTIONS.

4. Retiree's shall provide no less than 86 rounds of ammunition for their sidearm. 36 rounds of ammunition will be used for the live fire training drills. The live fire training drills are mandated for all the retirees to accomplish prior to the firearms qualification course. 50 rounds of ammunition will then be used to successfully complete the BCSO qualification course. Shooters shall complete the current pistol qualification course of fire required of all deputies' in the BCSO.
5. All shooters will be given 2 opportunities to pass the qualification course. Failure will be recorded if the shooter fails to pass the qualification course after two consecutive tries. AN ADDITIONAL 50 ROUNDS AMMUNITION MUST BE PROVIDED BY THE SHOOTER FOR THEIR SECOND ATTEMPT TO QUALIFY IF NEEDED.
  - a. Additional attempts will only be granted with the authorization of the Deputy Chief, Training and Policy, or designee.
  - b. Failure on any subsequent retries could result in permanent exclusion from the program
6. Upon successful completion of the qualification process, the retiree will be issued a Certificate of Proficiency card by the Bexar County Sheriff's Office Training and Plans Division. NO BCSO DUTY AMMUNITION WILL BE ISSUED.
7. Any time a retiree carries a handgun under these provisions; he /she will carry both the Certificate of Proficiency card and their retired peace officer identification card, and shall present the cards upon request.
8. Any Certificate of Proficiency Card issued under these provisions will expire on the second anniversary of the date the Certificate of Proficiency was issued, within the State of Texas (OC 1701.357(d)). Retired officers to whom this section applies may request an annual evaluation and re- issuance of their certificate of proficiency as needed to comply with applicable Federal (18 USC 926c) or other laws requiring annual requalification.
9. Suspension or Revocation. A retiree's Certificate of Proficiency Card may be suspended or revoked for cause by the Sheriff or Sheriff's designee. Suspension will be directed any time the retired officer is arrested for a Class B misdemeanor or higher offense and the suspension shall remain in effect until resolution of the case. Revocation will be directed any time the retired officer is convicted of a Class B or higher offense. A certified letter will be sent to any retiree whose privileges under these provisions are revoked. The letter will inform the retiree that the Certificate of Proficiency Card:
  - a. Renewal or Replacement.
  - b. Has been suspended or revoked;
  - c. The retiree is no longer authorized to carry a handgun under the provisions of these sections of law; and
  - d. The Weapons Proficiency Certificate/ Card is to be immediately surrendered to the Sheriff's Office.
10. Renewal or Replacement: To renew the Firearms Certificate of Proficiency Card the retiree must contact the Sheriff's Academy FTU, at least 4 weeks before the card is due to expire to obtain

an appointment for a range date. The retiree shall follow the same procedures outlined in paragraphs 2 through 4 above, to obtain a replacement for the expired card.

If a Certificate of Proficiency card is lost while still valid, the retiree shall follow the same procedures identified for replacing an expired card. At the retiree's discretion, the replacement card may be issued showing the original expiration date and no re-qualification firing will be required, or the retiree may re-qualify on the range and a new expiration date will be established. The fee of \$35.00 will still be required, in either case.
