Precinct 4 Community Fair will offer immunizations, school supplies *Social services, health care information also available*

Bexar County Commissioner Tommy Adkisson is having a Precinct 4 Community Fair to offer residents of his precinct an opportunity to learn about county and community services, women's health care and low-cost immunizations for children returning to school — and much more. There also will be free school supplies while they last.

The fair will be from 10 a.m. to 1 p.m. Saturday, August 7, at the Woodlake Golf Club, 6500 Woodlake Parkway. The event is free and open to the public.

University Health System will provide \$10 immunizations to the first 100 children who will enter kindergarten and 7th grade only in the fall. Children with Medicaid, CHIP or certain private insurances will be given the immunizations free of charge. Parents must bring their child's current shot record. The Health System also will have information about and applications for CareLink, UHS's financial assistance program for uninsured individuals.

"I am pleased to bring a special immunization component to this fair, which showcases services Bexar County provides to our citizens," Commissioner Adkisson said.

The Bexar County Sheriff's Office will provide free fingerprinting for children, and Emergency Services District 1 & 11 will have information on their services and fire equipment for children to explore. The Sheriff's Office Explorer Program and Cellular on Patrol also will have information available for participants.

Bexar County will have staff from Public Works, Environmental Services, Community Resources and the Dispute Resolution Center to visit with constituents and provide information. VIA Metropolitan Transit and AgriLife Extension also will be on hand.
