

HOW MUCH DO I SPEND DRIVING TO WORK?

This table will tell you how much money you spend on your commute every month.

- Step 1** Find the correct number of miles you drive (one-way) to work in the first row.
- Step 2** Find the amount you pay every month to park in your lot or garage.
- Step 3** Where the Miles Driven column meets the Monthly Parking Fee row is how much you spend each month!
