- Good morning and thank you for inviting me to join you in celebrating the grand opening of El Sol Bakery Cafe.
- I'm really excited about the cafe—I'm excited because of what your bakery and now the cafe offers our community.
- Since El Sol Bakery first opened their doors in May 2004, they have been providing great tasting, healthy pan dulce for everyone to enjoy—even the diabetics among us.
- And now, not only will El Sol provide delicious healthy bread; we get good tasting warm coffee to go with it!
- I want to thank Mauricio and Teresa Romero for their interest in baking healthy foods as well as establishing their business in the King William area—the center of development and revitalization in San Antonio.
- El Sol bakery doesn't only provide great sweet bread, they also give back to our community.
- El Sol bakery was the feature sponsor of the VIP reception for the America's Walk for Diabetes event in November.
- And for that gesture of community support, I am very proud and grateful to them.
- THANK YOU.
