Precinct 2 Commissioner Rodriguez Opens New Westside Community Office
This is the first community office for Precinct 2.

On Saturday, Nov. 16, Bexar County Precinct 2 Commissioner Justin Rodriguez opened a brand new community office in the heart of the Westside of San Antonio. A first for Precinct 2.

“We’re working hard to make County government more transparent, accessible, and more responsive to the needs of our community,” stated Commissioner Justin Rodriguez. “This office really belongs to the residents of Precinct 2. I am excited to provide a local office to our community members and offer them an easier way to voice their concerns or needs.”

As the first of its kind for Precinct 2, this new office is located at the renowned El Parian Avenida Guadalupe complex. It will provide easier access and free parking to residents seeking information or assistance from Commissioner Rodriguez and the Precinct 2 staff.

Additionally, Precinct 2 is launching an all-new website to connect residents, business owners, and neighborhood associations, with information and resources available to them about county government and initiatives.
