Bexar County Clerk Now Authorized to Issue Fishing and Hunting Licenses

Licenses are available on the first floor of the Paul Elizondo Tower.

As of Oct. 16, 2019, the Bexar County Clerk's Office is now an authorized license agent for the Texas Parks & Wildlife Department.

The Honorable Lucy Adame-Clark would like to take this opportunity to remind the public of this new option, for whichever type of fishing or hunting season license, hunters and anglers are looking to purchase.

"It is important for me to continue to bring new services and expand my Office's capabilities to our constituents," stated Bexar County Clerk Lucy Adame-Clark. "By offering this additional resource, we not only provide convenience to those already conducting business in the courthouse complex, but also bring additional revenue to the county."

Residents and non-residents can purchase licenses in the Recordings Division located on the first floor of the Paul Elizondo Tower, 101 W. Nueva, Suite 103, San Antonio, Texas 78205. Hunting and fishing license packages for seniors, disabled veterans and Texas residents on active duty are also available.
