**Bexar County Precinct 3 Commissioner Trish DeBerry Takes First Step to Provide
Tax Rate Relief**

Following today's Bexar County Commissioners Court meeting, Commissioner Trish DeBerry said, "It was important that we were able to show progress not only on limiting the tax burden for Bexar County residents, but to make clear what our priorities are. This is about incremental change we build upon, showing that we heard our constituents. Most importantly, we did all of this while simultaneously making sure the interests of women and children were covered."
