Where: DOWNTOWN Tax Office, Vista Verde Plaza, 233 N. Pecos la Trinidad (Flag Pole)

San Antonio, Texas – Bexar County Tax Assessor-Collector **Albert Uresti** has invited Tax Assessor-Collector Employees, other departments, and County and City Elected Officials to join him for one of the two different flag raising ceremonies of the Courage Flag in Honor of Breast Cancer Awareness Month. He would especially like to welcome breast cancer survivors to join us in this flag raising ceremony.

“We are once again proud to lead the charge against breast cancer by kicking-off a whole month of events tailored to raise awareness about the importance of early detection. We stand together with our citizens, co-workers, mothers, daughters, granddaughters, sisters, and spouses that have been affected,” said Albert Uresti, Bexar County Tax Assessor-Collector.

The Pink Courage Flag will fly at both Tax Offices for the month of October as a reminder to have an exam done, to support those fighting cancer, and to help those searching for a cure.

“I am dedicated to fighting this disease that has taken so many lives. I ask everyone to join me in this fight, so that someday we will finally have a cure, and women will no longer have to battle breast cancer,” said Albert Uresti.
