**+++Update+++ Bexar County Cooling Centers +++Update+++**

Bexar County residents will continue to experience a period of extremely hot weather in the coming days. Triple digit temperatures are forecasted to continue, and heat indices will remain at very high levels as well. These well above normal temperatures can be hazardous for people and animals.

The seven Bexar County cooling centers will continue to be accessible **through Friday, June 24**. Operation of these cooling locations is made possible through cooperation with our Emergency Services Districts (ESD). The City of San Antonio also maintains their locations, which can be found [here](#).

**ESD 2 – 2096 Talley Road, San Antonio, TX**  
**ESD 3 – 23103 Bulverde Road, San Antonio, TX**  
**ESD 5 – 7120 East Sixth Street, Somerset, TX**  
**ESD 8 – 20825 Babcock Road, San Antonio, TX**  
**ESD 10 – 9100 South Loop 1604 East, San Antonio, TX**  
**ESD 12 – 14229 FM 1346, Saint Hedwig, TX**  
**Bexar County Fire Marshal’s Office – 9810 Southton Road, San Antonio, TX**

Opening hours for the cooling centers will be **adjusted to the hours of 1:00 p.m. to 9:00 p.m.** to focus on the hottest hours of the day. Emergency personnel will be at each location to assist residents who seek shelter from the heat. Bottled water will be available.

Bexar County, working directly with Meals on Wheels, will be checking in with residents in unincorporated Bexar County and suburban cities throughout the weekend.

Safety tips, cooling center locations and other resources can be found at [bexar.org/heatsafety](http://bexar.org/heatsafety).
