**Government Finance Officers Recognize  
Bexar County Auditor Excellence**

The Chicago-based Government Finance Officers Association of the United States and Canada notified Bexar County Administrative Judge Rosie Alvarado on February 6, 2023, that the Bexar County Auditor was once again awarded the Certificate of Achievement for Excellence in Financial Reporting. The certificate recognizes the Bexar County Auditor's Office for its annual comprehensive financial report for the fiscal year ended September 30, 2021.

The report has been judged by an impartial panel to meet the high standards of the program, which includes clear communication of "its financial story and motivate potential users and user groups to read the report."

Bexar County Auditor Leo Caldera said, "We submit our Annual Comprehensive Financial Report every year. The Auditors Office Revenue and Reporting staff and I strive hard to receive the award every time. It is a testament of our commitment to excellence and transparency and we are proud to have been recognized again."

Bexar County Administrative Judge Rosie Alvarado said, "The Bexar County Auditor's Office is exemplary in their performance and a pleasure to work with. They meet the expectations of our residents by providing clear and trusted information about our county's finances. We are proud to have such an outstanding team working for us."

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.
