**Downtown Street Improvements Impact Access
to Bexar County Facilities**

Jurors and visitors to the Bexar County Courthouse may be affected by upcoming road construction in the downtown area for the next month. The City of San Antonio's (COSA) Street improvement project involves the reconstruction of South Flores Street from West Cesar E. Chavez Boulevard to West Commerce Street. Construction is scheduled to commence **Monday, June 19, 2023** and is anticipated to continue until **Wednesday, July 19, 2023**, weather permitting.

The Bexar County South Flores Parking Garage will remain open to the public and employees.

The construction activities will mainly impact those visiting the Bexar County Courthouse, particularly individuals summoned for jury duty and others seeking out Bexar County resources. In-person jury pools resumed earlier this year in March, and will continue to convene in-person throughout the duration of the street improvements.

Visitors of the downtown Bexar County facilities are encouraged to plan for additional travel time, explore alternative parking options, and consider utilizing public transportation during this period.

Bexar County facilities will be closed on Monday, June 19, 2023 in observance of Juneteenth; public safety and emergency services will remain in operation. For more information regarding jury services, parking, and courthouse activities, please visit www.bexar.org.
