

About Torence White, MBA

Torence White is the DBE Contract Compliance Specialist for the Small Business and Entrepreneurship Department. Torence is responsible for monitoring and tracking requirements related to the Disadvantaged Business Enterprise (DBE) Program for the Pass-through finance projects that the County undertakes with the Texas Department of Transportation (TxDOT). He also does outreach and provides vendor training and works with County staff to ensure notices of projects are disseminated. He previously served as a Management Analyst for Bexar County's Community Programs department and the City of San Antonio Grants Monitoring & Administration. Additionally he spent seven years as an Editorial Assistance/Small Business Reporter and Photographer at the San Antonio Business Journal. Torence is a Certified Compliance Administrator which he received through the American Contract Compliance Association and also possesses an MBA from Wayland Baptist University and a BS in Journalism from Oral Roberts University.
