I am applying for an exception to the qualifications to receive court appointments in:

- State Jail Felony cases;
- 2nd/3rd degree cases;
- 1st degree/3G cases;
- State Jail Felony/3rd degree appeals;
- 1st degree, 2nd degree, and 3G appeals; or
- Post Conviction Writs/DNA Motions

I am requesting an exception because I do not meet the following requirement(s):

- I am short the requisite CLE hours
- I do not have the requisite years of experience in criminal litigation
- I do not have the requisite trial experience
- I have not filed the requisite number of briefs

Briefly explain why the judges should consider granting you an exception to this requirement(s):

If you are granted the exception, you will be notified. If you are not notified, your exception was not granted.
