Other = another ethnicity not otherwise defined. This could be a multi-racial individual, an eligible but non-standard ethnicity, or some other designation.

Unknown = not known for the firm.

The \$17 million number for 2017 appeared odd, so B2GNow traced the amount to confirm it is right. Indeed, it is correct and almost all allocated to a Houston-certified SBE firm (Butler-Cohen). The City of Houston has explicitly defined this firm as Other Ethnicity.

**** Prime Data only**

1. Since, Bexar County's auditor payment export does not include a field for contract number, the B2GNow interface for primes to load sub data is inactive. The Bexar County Budget Data Collection team does not process subcontract, sub consultant or sub supplier from contract files or invoice data.
2. Only Federal funded contracts data entered manually and monitored by the SBED staff are in B2GNow for prime reporting which are not reflected in this report.
