# REQUEST FOR QUALIFICATIONS

## **1 GENERAL INFORMATION**

**1.1 PURPOSE:** This Request for Qualifications (RFQ) provides licensed civil engineering professionals with sufficient information to enable them to prepare and submit a Statement of Qualifications (SOQ) to design street and drainage improvements for the project at the location listed below. Construction of this project will be supported with **Federal/MPO** funding.

**1.2 ISSUING OFFICE:** This RFQ is issued by Bexar County Public Works Department on behalf of the Bexar County Commissioners Court. Mr. David R. Wegmann, P.E., CFM, Engineering Services Manager, is the contact person for this RFQ.

**1.3 PROJECT PROPOSED:** The project to be developed includes the following:

### **Talley Road Phase II – Wiseman Blvd to Tamaron Pass**

#### **Precinct 1**

**Estimated Construction Cost: \$21,000,000**

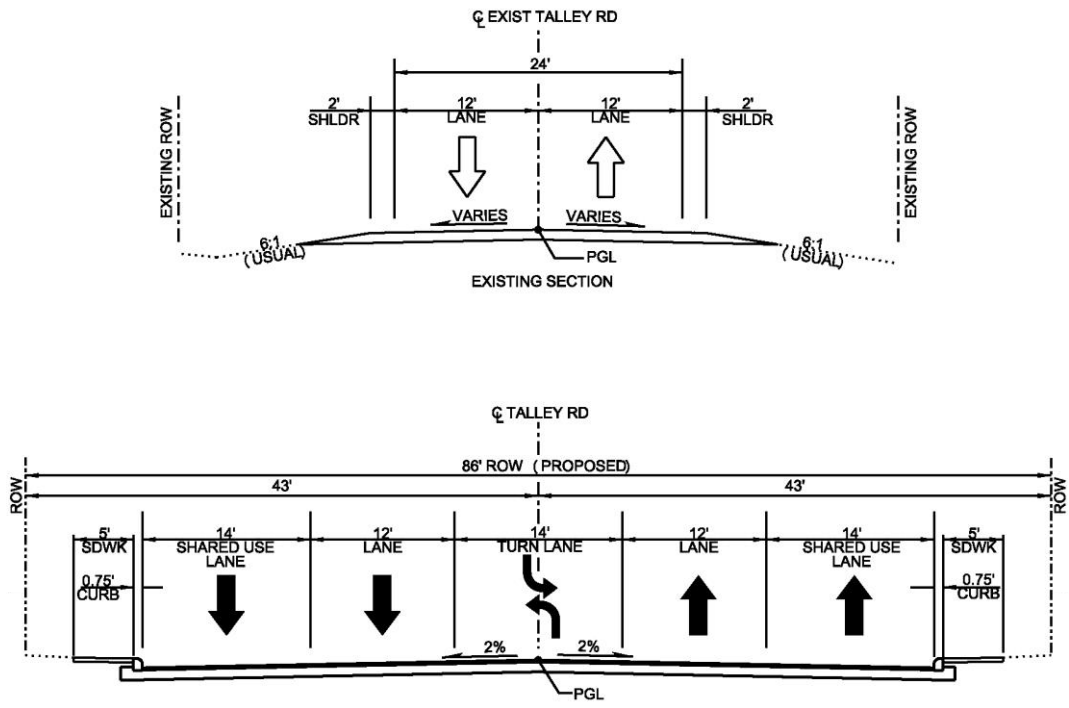

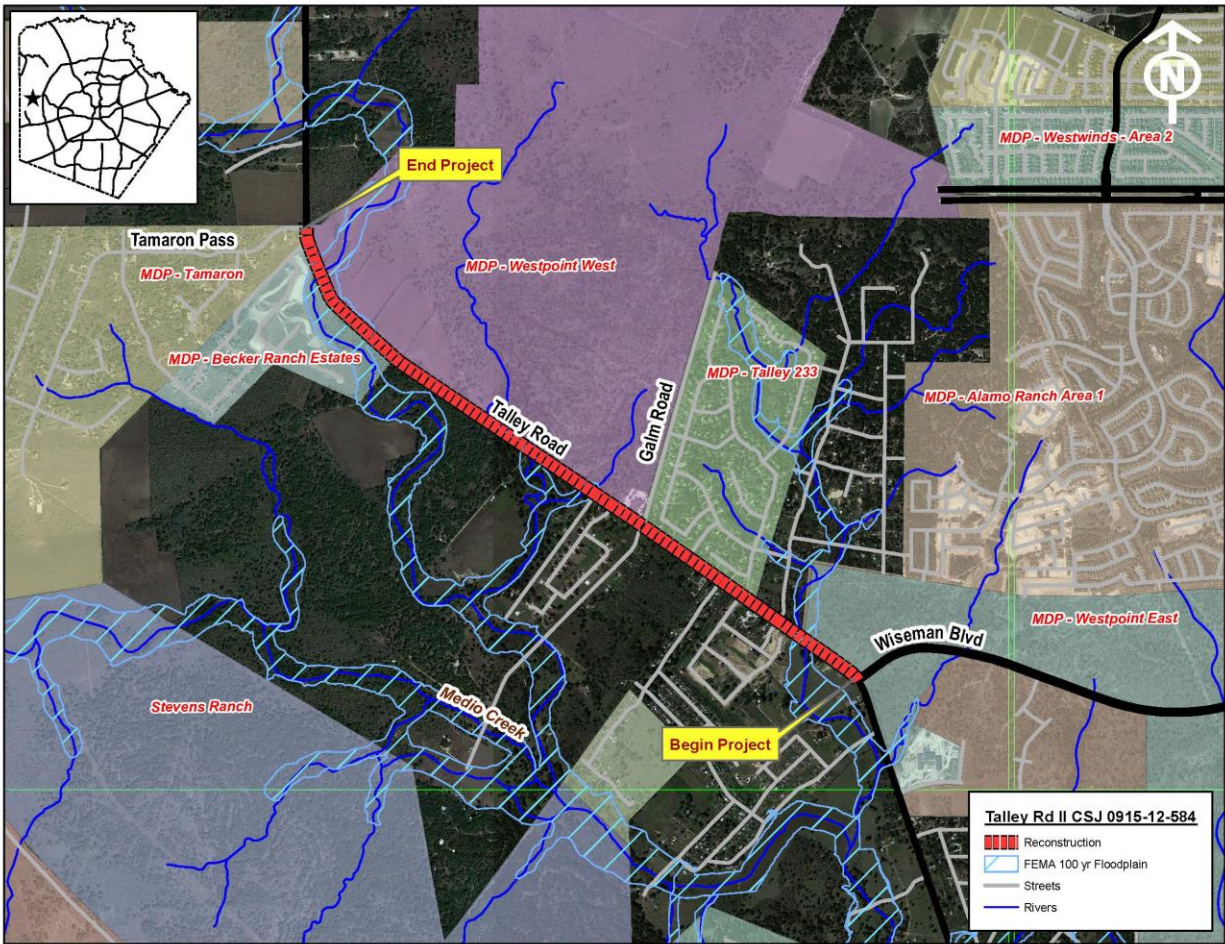

**Approximate Length: 2.4 miles**

Bexar County is proposing to reconstruct 2.4 miles (approximate) of Talley Road, from Wiseman Blvd to Tamaron Pass.

The proposed improvements will widen Talley Road from its existing two-lane configuration to a four-lane roadway with necessary drainage improvements, operational improvements, and anticipated bicycle/pedestrian amenities within an 86' ROW (typical). The project will increase roadway capacity to allow for projected growth, increase safety and added bicycle amenities will enhance regional mobility. *Note that the typical section depicted on the following page is a draft representation, and may not necessarily be indicative of the final approved typical section for the project.*

Real estate acquisition may be required as part of the identified services in order to accommodate for the ultimate roadway section and necessary drainage improvements. Real estate acquisition for right-of-way and/or easements may include coordination with the engineer and surveyor, ordering appraisals, and negotiating the purchases with property owners. All necessary appraisals will be performed by appraisal firms currently approved by Bexar County; as such, an appraiser need not be a member of the proposed team. All real estate acquisition will be closely coordinated with the Bexar County Asset Management staff and must be in accordance with the current FHWA directives covering acquisition of real property.

Civil engineering, environmental, and survey services will be required. Design consultant will also conduct any necessary SUE and Geotechnical services as well as other general engineering services. Environmental studies will be conducted in accordance with TxDOT, and FHWA requirements. Supplemental information relative to this project may be located on the County's Website at <https://www.bexar.org/1380/Public-Works-Department>.

**1.4 SERVICES REQUIRED:** The services required of the selected firm include, but are not limited to:

- 1.4.1** Provide the engineering and surveying expertise to design and prepare plans, specifications, and estimates approved by the County and other regulatory agencies for the project listed above.
- 1.4.2** Provide the environmental services required to assess and obtain all necessary permits for the project.
- 1.4.3** Coordination with the public and homeowner's associations to solicit input and develop a consensus for the project.
- 1.4.4** Provision of all horizontal and vertical survey, necessary SUE survey, preliminary, intermediate, and final design plans and specifications to include streets, drainage, bridges, utility locations, environmental clearance, right of way survey, and provide coordination with utilities and other regulatory entities to secure approval of designs.
- 1.4.5** Provision of right-of-way acquisition services for purchase of right-of-way and/or easements necessary (excluding appraisals).
- 1.4.6** Preparation of bid package, bid tabulation, periodic observation of construction, evaluation of laboratory reports, shop drawings, field alteration requests, contractor estimates for payment, recapitulation of over/under runs, and preparation of as-built drawings.

## **2 STATEMENT OF QUALIFICATIONS (SOQ) SUBMITTAL**

- 2.1 NUMBER OF COPIES OF THE SOQ NEEDED:** The provider shall provide five (5) copies of the SOQ and one (1) PDF version on a CD or data storage device (e.g., USB flash drive) of the SOQ submittal; no other distribution of the SOQ will be made by the service provider. ***On each copy, the provider shall print or type his/her name and manually sign the SOQ.***
- 2.2 STATEMENT OF QUALIFICATIONS FORMAT:** The originals must be submitted in bound volumes on standard 8 ½" x 11" paper. Tabloid 11"x17" paper will be permitted but will be counted as two (2) pages. The response is limited to fifteen (15) pages; single sided and may include typed text, graphics, charts and photographs. Font type shall be Arial (not Arial Narrow) and the minimum font size is 11 point, other than in diagrams, organizational charts and other such graphics, which may be 8 point font. The minimum margin size is 0.75" for all margins (this does not include headers or footers). The minimum line spacing is single. Front and back covers, tabs and resumes are not included in the fifteen (15) page limit. All other pages, including the 3.2 Letter of Transmittal and 3.7 Certification, will be included in the fifteen (15) page limit. Resumes will be limited to one (1) page and included in the appendix.
- 2.3 OFFICIALS NOT TO BENEFIT:** No County employee, Commissioners Court member or elected official shall be admitted to any share or part of this contract, or to any benefit that may arise therefrom.
- 2.4 REJECTION OF SOQs:** The County reserves the right to reject any and all SOQs received as a result of this Request for Qualifications or to negotiate separately with any source whatsoever in any manner necessary to serve the best interest of the County. The County does not intend to pay for the information solicited or obtained through any response.
- 2.5 INCURRING COSTS:** The County is not liable for any cost incurred by the service provider prior to issuance of a contract.
- 2.6 INQUIRIES:** Questions regarding this RFQ must be submitted in writing to the issuing office or department. Any inquiries relating to this RFQ must be submitted in writing and received no later than **4:00 p.m. on Wednesday, September 19, 2018.** Questions and answers that change or substantially clarify the Request for Qualifications will be affirmed in writing and will be posted to the County's Website at <https://www.bexar.org/1380/Public-Works-Department> no later than **5:00 p.m. on Friday, September 21, 2018.**
- Any necessary request for clarification, delineation, or explanation of a company's SOQ will be made in writing by the Director of Public Works/County Engineer or other designated agent with copies to the Commissioners Court, and the response will follow the same procedure or as otherwise directed by the Court.
- 2.7 ADDENDA TO THE REQUEST FOR QUALIFICATIONS:** In the event it becomes necessary to revise any part of this RFQ, addenda will be posted to the County's Website at <https://www.bexar.org/1380/Public-Works-Department>.

- 2.8 RESPONSE DATE:** To be considered, SOQs must arrive at the issuing office or department no later than **4:00 p.m. on Friday, October 12, 2018**. Service providers mailing SOQs should allow normal mail delivery time to ensure timely receipt of their SOQ.
- 2.9 TYPE OF CONTRACT:** The County uses its own professional services agreement in contracting for professional services. The characteristics of that agreement include:
- 2.9.1** An indemnification provision holding the County harmless from negligence on the part of the professional, professional's employees, agents or consultants;
  - 2.9.2** A requirement that the service provider comply with all Federal, and State laws and is responsible for obtaining all applicable permits, licenses and reviews relating to the project;
  - 2.9.3** A requirement that the service provider carry and show proof of comprehensive general liability insurance, including contractual liability and worker's compensation as required by law and Bexar County.
- 2.10 ACCEPTANCE OF RFQ AND SOQ CONTENT:** To be considered, service providers must submit a complete response to this Request for Qualifications. The contents of this RFQ and the SOQ of the selected service provider may become contractual obligations if a contract ensues. ***SOQs must be signed by an official authorized to bind the firm(s) to its provisions.*** The service provider will make no other distribution of the SOQs.
- 2.11 SOQ PREPARATION:** Each SOQ should be prepared providing a straightforward, concise description of the respondent's ability to meet the requirements of the RFQ. Emphasis should be on completeness and clarity of content.
- 2.12 ORAL PRESENTATION:** Service providers who submit SOQs may be required to make an oral presentation of their qualifications to the selection committee and/or the Bexar County Commissioners Court. These presentations provide an opportunity for the respondents to clarify their qualifications to ensure thorough mutual understanding. The Issuing Office will schedule these presentations.
- 2.13 PRIME CONTRACTOR RESPONSIBILITIES:** The selected service provider will be required to assume responsibility for all services offered in the Statement of Qualifications whether or not the service provider produces them. Further, the County will consider the selected service provider to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

### **3 INFORMATION REQUIRED FROM SERVICE PROVIDER:**

**3.1 COVER CITATION** The following citation should be on the cover:

Submitted to:

David R. Wegmann, P.E., CFM

Statement of Qualifications for:

**TALLEY ROAD PHASE II – WISEMAN BLVD TO TAMARON PASS**

*(Date of submittal)*

**3.2 LETTER OF TRANSMITTAL:** The transmittal letter must include the following:

- 3.2.1** Brief statement of understanding of the work to be performed and a positive commitment to perform the work within the time period.
- 3.2.2** A statement specifying which of the projects listed in the RFQ the service provider wishes to be considered for.
- 3.2.3** Introduction of the proposed Project Manager for this project.
- 3.2.4** Name of the contact person or representative for the firm, their title, address and phone number. State whether the contact person is authorized to bind the firm. If not, state who is authorized to sign on behalf of the firm.

**3.3 SERVICE PROVIDER INFORMATION:** The respondent will provide information about the firm(s) and the personnel to be assigned to this project. Be sure to include:

- 3.3.1** The name and business address of the firm and principal who would be responsible for the work.
- 3.3.2** Current resumes of the proposed project manager and key personnel to be committed to the project. Resumes must state where each individual is officed (city and state) from. Also state what task these individuals were assigned and responsible for on each project represented in the resumes. Resumes will be limited to one (1) page each and included in the appendix.
- 3.3.3** A list of relevant projects completed within the last 8 years or under design by the firm of similar scope to the proposed project with approximate construction costs and dates completed. State if the firm was either a prime or a sub-consultant. Also state what task the firm was assigned and responsible for on each project. **3.3.6** A statement of the extent to which the individual or organization has a place of business within Bexar County and the percentage work expected to occur at this place of business for this project. If the majority of work for this project will be performed at an office located outside of Bexar County, please provide the location of the office.

**3.4 PROJECT APPROACH/WORK PLAN:** Identify and outline what the firm proposes to do. Describe your firm's approach to performing the specific services required in this project as noted in Section 1.4 SERVICES REQUIRED. Include a schedule of work to be performed with appropriate milestones. Present a discussion of the Service Provider's understanding of the necessary services through construction and its approach and methodology to providing those Services. The work plan should include at a minimum: itemized tasks, resource requirements, specialized skills needed, special considerations, and possible challenges in completing the project. Provide a thorough understanding of the development of a project of this nature, as well as possible design alternatives and potential cost savings specific to this project. Flood and congestion mitigation is critical, so time is of the essence in the development of this project. You should also identify the extent to which Bexar County staff will be involved in the project.

**3.5 QUALITY CONTROL/QUALITY ASSURANCE:** Provide a description of the quality control and quality assurance procedures and other technical activities specific to the project that will be implemented to demonstrate the results of the work performed will fully and accurately satisfy Section 1.4 SERVICES REQUIRED.

**3.6 MANAGEMENT PLAN:** Describe in both narrative and graphic form how the firm proposes to manage the project. Provide general information on the organization and management processes of the firms involved in the project, as well as a more specific outline of the structure of the proposed project team (sole proprietor, partnership, corporation, joint venture, etc.). This section should answer such questions as: Who will have overall responsibility? What will the lines of authority be? Discuss how the coordination and exchange of information will be assured between the County, contractor and other governmental bodies.

In addition to the narrative description, this management plan should include an organization chart of the project team. This section should be summed up with assurances that a joint venture will be well coordinated and that any problems that may arise can be considered and resolved without infringing on the project.

**3.7 CERTIFICATION:** The respondent is required to include the following *notarized* statement and signature area; failure to provide a notarized seal shall disqualify the firm:

I certify that \_\_\_\_\_ has carefully reviewed this Request for Qualifications and recognize that this Statement of Qualifications becomes the property of Bexar County and is non-returnable. I further certify that the enclosed information is accurate, and verifiable by Bexar County, and that the below named signatory is fully authorized to bind the firm to the provisions of this Statement of Qualifications.

## **4 SELECTION CRITERIA**

It is the policy of Commissioners Court to discourage any unsolicited verbal or written communications from competing companies which may pertain or relate directly or indirectly to any SOQ being evaluated by the selection committee or the Commissioners Court which has been submitted in response to this RFQ and which contemplates award of a professional contract, unless provided for in this RFQ.

Negotiations may be undertaken with the service provider whose SOQ best addresses the needs of the proposed project and demonstrates the understanding, ability and experience to perform the work. Award of the contract will be to the responsive service provider whose SOQ is most advantageous to the County.

SOQs will be evaluated on evidence of understanding of the issues and challenges, the objectives to be achieved, and the technical and administrative capabilities in relation to the needs of the project. The following criteria are those that will be applied in the evaluation of the SOQ:

- 4.1 Qualifications (20%)** - The extent to which the firm has personnel with the necessary relevant design experience and training to perform the work.
- 4.2 Proposal Quality (10%)** - The extent to which the proposal is free of errors and demonstrates an organized approach to the proposed project.
- 4.3 Professional Competence (20%)** - The extent to which the service provider has demonstrated competence in performing similar work or the extent of former client satisfaction.
- 4.4 SOQ Work Plan (25%)** - The extent to which the firm has developed a work plan that demonstrates a thorough understanding of the scope of the project and will meet the needs of the County.
- 4.5 Cost Awareness (5%)** - Ability to provide alternate solutions permitting Owner choices taking into consideration first cost, long term cost and maintenance factors.
- 4.6 Previous Performance (10%)** - Previous performance with Bexar County and other governmental or institutional clients.
- 4.7 Management Plan (10%)** - An organizational structure and management plan for the project that will be highly responsive to the needs and interests of the County.
