

COMMISSIONER JUSTIN RODRIGUEZ

– Precinct 2 –

March 13, 2020

Honorable Judge Nelson Wolff
County Judge
Bexar County
101 W. Nueva, 10th Floor
San Antonio, TX 78205

Dear Judge Wolff,

Thank you for your leadership and your continued commitment to keep the residents of Bexar County informed, prepared, and safe as more information about the novel coronavirus COVID-19 becomes available. As you know, the financial implications of COVID-19 are becoming increasingly clear and communities around the globe are grappling with decisions that directly affect the health and economic stability of local economies, families, and individuals.

I ask for your support in consideration of a temporary moratorium on evictions to prevent renters from being displaced for at least the next 30 days. I understand this will take collaboration between the Bexar County Sheriff's Office, the Justices of the Peace and Constables Office in consultation with the District Attorney's Office.

We should also explore measures that would provide relief for homeowners, small businesses, and landlords. By taking this action, we can encourage and empower residents to prioritize their health, provide families some assurance and relief during a time of economic uncertainty, and proactively take steps to help reduce transmission of COVID-19 in our community.

I am hopeful that with strategic collaboration with leaders at the City, State, and Federal levels, we can provide meaningful relief for our community.

Sincerely,

Justin Rodriguez
County Commissioner, Precinct 2
