Bexar County is committed to ensuring that small, minority, women, disadvantaged, disabled, veteran, and LGBTQ owned businesses have an equitable opportunity to participate in the County's procurement process. To this end, Bexar County has contracted with Griffin & Strong, P.C. (GSPC), a law and public policy consulting firm, to conduct a disparity study. The virtual public hearing will provide the public with the opportunity to share their experiences, both positive and negative, doing business with, or attempting to do business with Bexar County. Community members are encouraged to participate and share feedback on how Bexar County can improve diverse representation in public contracting.

Registration is free and advanced registration is recommended but not required to participate.

We will be providing language accommodations for this public hearing.

The final date to request the accommodation will be August, 24, 2020.

Please email BexarCountyStudy@GSPCLaw.com or call **678-364-2962 Ext. 104**.
