

# NOTICE ABOUT 2020 TAX RATES

Property Tax Rates in BEXAR COUNTY. This notice concerns the 2020 property tax rates for BEXAR COUNTY. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate: \$0.299073

This year's total voter-approval tax rate: \$0.322953

To see the full calculations please visit The Office of the Bexar County Tax Assessor-Collector Albert Uresti, MPA, PCC for a copy of the Tax Rate.

### Unencumbered Fund Balances – General Fund

The following estimated balances will be left in the taxing unit's accounts at the end of the fiscal year. These balances are not encumbered by corresponding debt obligation.
