#### **Addendum No. 2: Watson Road Phase I – Construction Management & Inspection Services**

To Whom It May Concern:

Bexar County Public Works is providing this Addendum No. 2 for the Request for Statements of Qualifications for Watson Road Phase I Project.

This addendum No. 2 modifies the due date of Friday October 2, 2020 at 4:00 pm. Consultant SOQs must be submitted by interested candidates no later than **4:00 pm on Friday, October 16, 2020**. This revision to the RFQ is being made due to a delay in the receipt of the San Antonio Water System plans associated with the Watson Road Phase I project. Once plans are received Bexar County will issue addendum No. 3 to include those plans as part of the current plan set.

Hopefully, this additional information will assist you in preparation of your Statement of Qualifications.

Respectfully,
