NOTICE OF TRANSITION TO NEW CASE MANAGEMENT SYSTEM

The Bexar County Clerk's Office is pleased to announce that we will transition to a new case management system on Monday, May 3, 2021. The Odyssey case management system will be implemented in our Civil Divisions, which include Civil, Probate, Mental Health, Bond Forfeiture and Treasury/Bookkeeping.

Some of the great benefits of the system include increased workflow, enabling paperless processes, automated tasks, enhanced communication between internal and external agencies, and improved accessibility for the public and attorneys.

In order to facilitate this transition, the County Clerk's Civil Division, Probate Division and Bond Forfeiture Division will close at 4:30 p.m. on Friday, April 30, 2021. We will reopen on Monday, May 3, 2021 at 8:00 a.m.

We thank you for your patience as we adapt to the new system and improve efficiencies for all. We look forward to continuing to provide the best possible service to you.
