Bexar County Clerk’s Office Earns
Alamo Area Council of Governments Regional Award

Association recognizes County Clerk Lucy Adame-Clark's 'Records on the Run' initiative

The Alamo Area Council of Governments (AACOG) has named the Bexar County Clerk’s Office as a 2020 Alamo Area Council of Governments Regional Awards recipient for its "County Clerk’s Office Straight to You! Records on the Run" program.

The first-of-its-kind mobile satellite office, established as part of County Clerk Lucy Adame-Clark's community outreach efforts, allows Bexar County residents to record, register, buy or request copies of vital documents such as military discharge papers, assumed business names, real property records or marriage licenses without having to drive through traffic to get downtown or pay downtown parking prices.

"It is really humbling to be receiving this award with my team who have all contributed to the success of this project," Adame-Clark said. "Records on the Run not only allows the public to record documents or obtain copies, but it also allows us to keep the public informed of the various services our office has to offer.

"Another positive attribute is engaging in economic development by providing services to the community, business owners and real property owners," Adame-Clark said.

Using existing resources and working with other county officials, businesses, senior centers, VFW posts and various organizations, Adame-Clark initially planned to provide mobile services twice a month. But the program's quick success and popularity has allowed the County Clerk's Office to add a customized van and schedule several outings a month around Bexar County. Five stops were on November's calendar, for example.

The Bexar County Clerk’s Office will be presented their award during the 2020 Area Council and Board of Directors Annual Luncheon, on Wednesday, December 2, 2020, at 12:00 p.m., at Norris Conference Center.
