IV. REVENUES AND TRANSFERS

- 4.1 Bexar County will maintain a diversified and stable revenue base to shelter it from short term fluctuations in any one revenue source by doing the following:
- a. Establishing user charges and fees as permitted by law at a level related to the cost of providing that service including indirect costs when appropriate
 - b. Pursuing legislative change, where necessary, to permit increases in user charges and fees to allow the County to recover the full cost of services
 - c. Aggressively collecting property tax revenues, including the filing of suit where appropriate and necessary, as authorized by the Texas Property Tax Code
 - d. Aggressively collecting all other fines, fees and revenues due to the County
- 4.2 Bexar County will a goal minimizing its reliance on non-recurring sources of revenue, including the use of prior year fund balances for recurring expenditures.
- 4.3 Bexar County will actively pursue intergovernmental grant funding to fund programs that have been identified as important to meet the County's mission, vision, goals and objectives.

V. RESERVES

- 5.1 The County will maintain an operating reserve for use in the event of unanticipated, extraordinary expenditures and/or the loss of a major revenue source. The operating reserve and specified contingencies shall be established at a minimum of one tenth operating expenditures for any year. These funds can only be appropriated by an affirmative vote of four of the five Commissioners Court members.
- Therefore, it will be necessary for officials and department heads to review and control expenditures such that the rate of expenditure does not exceed the approved budget.
- 5.2 The County will maintain a reserve requirement of not less than 15 percent of annual Debt Service. The Debt Service reserve funds can only be appropriated by an affirmative vote of four of the five Commissioners Court members.

VI. PERSONNEL

All personnel actions shall at all times be in strict conformance with applicable federal, state, and County policies.
- 6.2 Compensation for overtime worked will be given in the form of compensatory time. No overtime compensation shall be paid unless Commissioners Court specifically approves an exception and authorizes payment in advance. All employees, regardless of the source of funding for the position, accrue compensatory time at the rate of one hour for every hour for exempt employees. Non-exempt employees that work over 40 hours in a regular

work week are not eligible for overtime compensation, unless approved otherwise by Commissioners Court.

- 6.3 Deletions and/or downgrades of positions may occur at any time during the fiscal year at the department head or official's request or if a review of workload statistics indicates that a reduction in force is practical in an office or department. All funds appropriated for such deleted positions will be returned to the appropriate fund in the Contingencies - Undesignated Funds account.
- 6.4 Additions, position reclassifications, reorganizations, etc., are prepared by the requesting office or department and reviewed by the Budget Department. The Budget Department will work with the initiating office or department to bring the proposal for Commissioners Court consideration or to the County Manager if the request is made outside of the County's annual budget process.
- 6.5 The County Manager has the authority to add, delete, hire, terminate, discipline, demote, promote, compensate, direct, and supervise all functions and staff that report to the County Manager.
- 6.6 The Court may institute a freeze during the fiscal year on hiring, promotions, transfers, and capital equipment purchases. Such action will not be used arbitrarily and will allow for exceptions in appropriate areas to comply with emergency needs such as natural disasters and/or loss of major revenue sources.
- 6.7 Commissioners Court shall approve all authorized positions and changes to them (this does not include actions affecting the actual employees holding these positions) as part of the annual budget process. The County Manager has the authority to review and, if appropriate, approve all authorized positions, including adding and deleting positions, and changes to them, including reclassifications and compensation changes, if a request is made outside of the annual budget process by a County office or department.
