## NOTICE OF FEE INCREASE EFFECTIVE JANUARY 1, 2022

### SB41 – 87th Legislature (Regular Session)

Senate Bill 41 amends the Civil Practice and Remedies Code, Code of Criminal Procedure, Family Code, Government Code, Health and Safety Code, Human Resources Code, Local Government Code, Occupations Code, Property Code, and Transportation Code to consolidate certain civil court fees and provide for the allocation of the consolidated fees to specified accounts and funds. The bill, among other provisions, also standardizes procedures for the collection of fees payable to a local government in civil cases, revises requirements relating to the appellate judicial system funds, and makes changes, including increased and new fees, to the statutory fee schedules for county courts.

A list of the increased and new fees for our Civil, Mental Health, Probate, Criminal and Bond Forfeiture departments is attached.

For any questions regarding the new fees, please do not hesitate to contact the respective departments listed below or Chief Deputy, Priscilla Hernandez at 210-335-2561.
