STATE OF TEXAS § AMERICAN RESCUE PLAN ACT
BEXAR COUNTY § GRANT AGREEMENT

This American Rescue Plan Act ("ARPA") Coronavirus State and Local Fiscal Recovery Funds Funding Agreement (the "Agreement") is entered into and between BEXAR COUNTY, TEXAS ("COUNTY"), a political subdivision of the State of Texas, through its ARPA Office, and THE CHEST FOUNDATION ("BENEFICIARY" or "Grantee"), a 501(c)(3) non-profit organization in good standing and duly authorized to conduct business under the laws of the State of Texas (also, individually, a "Party" or, collectively, the "Parties"). The Parties agree as follows:

ARTICLE ONE
INTRODUCTION

1.01 On March 13, 2020, Texas Governor Greg Abbott ("Governor Abbott") issued a declaration of public health disaster in and for the State of Texas due to the COVID-19 pandemic, and on March 19, 2020, the Texas Department of State Health Services ("DSHS") issued a declaration of a public health disaster in the State of Texas. Governor Abbott’s and DSHS’s declarations of a public health disaster continue to remain in effect.

1.02 COUNTY received Coronavirus State and Local Fiscal Recovery Funds ("SLFRF Grant Funds"), established by the American Rescue Plan Act of 2021 ("ARPA"), enacted on May 10, 2021, to support the immediate pandemic response, bring back jobs, and lay the groundwork for a strong and equitable recovery in areas affected by COVID-19. COUNTY is required to follow the terms and conditions set forth in the SLFRF Grant Funds Award Terms and Conditions, attached as Exhibit “A”.

1.03 ARPA, U.S. Department of the Treasury ("Treasury") rules, and associated guidance grant substantial discretion to jurisdictions to use the ARPA award funds in the ways that best suit the needs of their constituents – but limit eligible uses of SLFRF Grant Funds: to respond to the public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality; to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers; for the provision of government services to the extent of the reduction in revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and to make necessary investments in water, sewer, or broadband infrastructure.

1.04 Following guidance of Treasury, Bexar County Commissioners Court identified broad areas impacted by COVID-19, including impacts to households, businesses and/or nonprofits, and established an ARPA Office whose role was to develop related and reasonably proportional responses to the identified impacts of COVID-19 ("ARPA Office"). The ARPA Office reviewed proposals to determine if they were ARPA-funding eligible and fit within the Treasury-identified enumerated uses or if they would otherwise be eligible as a non-enumerated use. Selected respondents were required to submit an application to assess the respondent’s impact from COVID-19 along with other supporting information in order to allow the ARPA Office to review and determine projects or proposed uses of funding to recommend to the Bexar County Commissioners Court as best suited to support or assist a more equitable recovery within Bexar County, an
underserved community of disproportionately lower income households which were more directly impacted by the pandemic.

1.05 BENEFICIARY is an impacted nonprofit organization, in good standing, recognized under Internal Revenue Code Sections 501(c)(3) or 501(c)(19), currently operating in Bexar County and that offers support to Bexar County residents. BENEFICIARY has requested the grant funding provided under this Agreement in order to mitigate financial hardships experienced by BENEFICIARY due to the COVID-19 pandemic and continue those activities and purposes commonly undertaken by BENEFICIARY ("Project"), as further described in Exhibit "B" and Exhibit "C". BENEFICIARY will provide services and has incurred or will incur certain costs or expenses, which are eligible for reimbursement by SLFRF Grant Funds under Expense Category 2.34 Assistance to Impacted Nonprofit Organizations.

1.06 The ARPA Office has determined, following an evaluation of BENEFICIARY’s application for funds and all supporting documentation, that BENEFICIARY may receive SLFRF Grant Funds for SUBRECIPIENT’s Project and the funding amount is a related and reasonably proportional response to the extent and type of negative economic impacts BENEFICIARY has endured due to the COVID-19 pandemic. Bexar County Commissioners Court has determined that providing BENEFICIARY with funding is a necessary and appropriate expenditure of SLFRF Grant Funds received by COUNTY.

ARTICLE TWO
PURPOSE

2.01 BENEFICIARY agrees to administer the Project and perform all activities as further discussed in this Agreement and in accordance with the terms of the exhibits and addendums listed in Article 16. All exhibits and addendums are attached hereto and incorporated herein for all relevant purposes.

ARTICLE THREE
REIMBURSEMENT OF EXPENSES

3.01 Grant Funds will be paid by COUNTY to BENEFICIARY for allowable costs that BENEFICIARY incurs, in the not to exceed amount stated in Exhibit “B”. BENEFICIARY will submit any requests for budget revisions to COUNTY for approval in accordance with this Agreement and Exhibit “D”. All budget revision requests must be submitted no less than 60 days prior to the end of the contract period. COUNTY will not consider requests for budget revisions submitted after this deadline.

3.02 BENEFICIARY will submit a billing package (which will include an Invoice and Invoice Expenditure Report, Monthly Performance Report and the Monthly Progress Report required pursuant to Exhibit “E”) on a quarterly basis no later than the 10th day after the close of each quarter in the formats detailed in Exhibit “E”, along with sufficient documentation of eligible expenses incurred during the preceding quarter (e.g., receipts, invoices etc.). BENEFICIARY will utilize the guidance in Exhibit “F” in completing its billing package. COUNTY will pay these submitted invoices in accordance with the Texas Prompt Payment Act.
BENEFICIARY will submit reimbursement requests to County’s ARPA Office with supporting documentation to:

Via mail: Bexar County ARPA Office
101 West Nueva, Suite 809
San Antonio, Texas 78205

Via email: ARPA@bexar.org

3.03 All reimbursement decisions are to be made by the Bexar County Auditor (“Auditor”). The decision of the Auditor as to the final amount eligible for reimbursement or whether a particular submitted expense is eligible for reimbursement is final and not subject to dispute. Submitting an incomplete reimbursement request or performance report will cause the reimbursement to be delayed, or denied. BENEFICIARY will be responsible to furnish any additional documentation requested by the Auditor to substantiate the reimbursement request or performance report. If the information is not provided within ten (10) business days, the reimbursement request will not be considered for reimbursement. COUNTY will pay substantiated invoices pursuant to Texas Government Code 2251 (Prompt Payment Act).

3.04 COUNTY may withhold all or part of any payments to BENEFICIARY to offset reimbursement for any ineligible expenditures, disallowed costs, or overpayments that BENEFICIARY has not refunded COUNTY. COUNTY may take repayment from funds available under this Agreement in amounts necessary to fulfill BENEFICIARY’s repayment obligations.

3.05 Within 10 business days of COUNTY’s written request, BENEFICIARY will refund to COUNTY any sum of money paid by COUNTY to BENEFICIARY that COUNTY has determined:

a) Resulted in overpayment to BENEFICIARY;

b) Has not been spent by BENEFICIARY; or

c) Is not supported by adequate documentation to fully justify the expenditure or alternatively, is determined by COUNTY to be an expense or cost that is not qualified for SLFRF Grant Funds.

ARTICLE FOUR

FEDERAL FUNDING: BENEFICIARY OBLIGATIONS

Federal Funding

4.01 BENEFICIARY acknowledges that SLFRF Grant Funds will be used to fund this Agreement. BENEFICIARY agrees further that it will be bound by the SLFRF Grant Funds Award Terms and Conditions, attached as Exhibit “A”, between Treasury and COUNTY and such other rules, regulations, or requirements as Treasury may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this Agreement by the Parties hereto. BENEFICIARY will comply with all requirements for BENEFICIARY’s contained in 2 CFR Part 200, et al.—and any changes to 2 CFR Part 200, et al. will be automatically incorporated into this Agreement without written amendment hereto, and will become a part hereof as of the effective date of the rule, regulation or law. e) In no event shall any provision of this section, specifically the requirement that BENEFICIARY obtain COUNTY’s prior written approval of a subcontractor, be construed as relieving BENEFICIARY of the responsibility for ensuring that the performances under all subcontracts are rendered so as to comply with all of the terms of this Agreement, as if such performances rendered were rendered by BENEFICIARY. COUNTY maintains the right to monitor and require BENEFICIARY’s full compliance with the terms of this Agreement. COUNTY’s approval under this Section 4.03 does not waive any right of action which may exist or which may subsequently accrue to COUNTY under this Agreement.

4.06 Return of Funding. Should BENEFICIARY fail to comply with this Agreement or if federal agencies or authorities having jurisdiction over the funding subsequently determine that the funding was used improperly or that a payment was made but later determined to not be actual or allowable costs, BENEFICIARY warrants that it will return to COUNTY the amount identified as improperly used or not allowable, whether during the term of this Agreement or after.

As further described in 2 CFR §200.311, when real property acquired or improved under a federal award is no longer needed for the originally authorized purpose, BENEFICIARY must obtain disposition instructions from either Treasury or COUNTY providing
for one of the following alternatives: (1) retain title after compensating Treasury; (2) sell the property and compensate Treasury; or (3) transfer title to Treasury or to a third party designated/approved by Treasury.

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans, and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), as long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subject to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.

2. Recipient acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Recipient shall institute reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient’s programs, services, and activities.

3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit http://www.lep.gov.

4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient’s successors, transferees, and assignees for the period in which such assistance is provided.

5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient’s sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from participation in its programs or activities, any person, on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury’s Title VI regulations at 31 CFR Part 22, which are here incorporated by reference and made a part of this contract or agreement. Title VI also contains provisions requiring the Recipient to provide “Limited English Proficiency” in any program or activity receiving federal financial assistance. 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury’s Title VI regulations at 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal
financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.

8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.

9. Recipient must provide documentation of an administrative agency’s or court’s findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.

10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient’s obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

BENEFICIARY SPECIFIC TERMS

BENEFICIARY’s Name/Address: The CHEST Foundation
2595 Patriot Blvd.
Glenview, IL 60026

Authority: Funds provided under this Agreement are appropriated under the Coronavirus State and Local Fiscal Recovery Funds ("SLFRF"), established by the American Rescue Plan Act of 2021 ("ARPA") enacted on May 10, 2021, to support the immediate pandemic response, bring back jobs, and lay the groundwork for a strong and equitable recovery in areas affected by COVID-19. COUNTY is authorized to spend money for public health in the county pursuant to Texas Health and Safety Code section 122.001. The project will contribute to the public health of Bexar County residents by: creating an Empathetic Listening and Cultural Sensitivity Toolkit that is designed to engage and motivate clinicians to build trust during their First 5 Minutes with patients diagnosed with chronic and progressive lung diseases. The goal of this program is to focus on the patient’s identity (environment, biologics, socio-economic status, sex and gender) to address public healthcare disparities by increasing access to healthcare services, empowering patients to actively manage and treat their medical condition(s) and learn to coordinate comprehensive care for themselves.

SLFRF Expenditure Category: 2.34 Assistance to Impacted Nonprofits
As further described in Exhibit “B-1”, BENEFICIARY has faced significant challenges due to the pandemic’s increased demand for services and changing operational needs. BENEFICIARY has experienced financial insecurity and this Project will help increase its capacity to weather financial hardship.

Term: The term of the Agreement with BENEFICIARY will commence upon contract execution, and will terminate on September 30, 2026. All underlying eligible expenditures must be incurred after March 3, 2021, and by June 30, 2026. All necessary submissions for reimbursement must be received by COUNTY no later than the close of business on July 31, 2026, using the form in the attached Exhibit “E”. For purposes of this Agreement, a cost is “incurred” when BENEFICIARY has expended funds to cover the cost.

Compensation: For eligible expenses or qualifying services rendered, COUNTY will reimburse BENEFICIARY an amount not to exceed ONE HUNDRED TWENTY-FIVE THOUSAND DOLLARS and NO CENTS ($125,000.00), for the allocated costs and expenses set out in the Project budget contained in Exhibit “C”.

EXHIBIT “B-1”
EVIDENCE OF NEGATIVE ECONOMIC IMPACT

The CHEST Foundation faced immediate financial uncertainty, program instability, and increased risk from the start of the COVID-19 pandemic. Up until the Spring of 2020, The CHEST Foundation heavily relied on in-person events to raise revenue and support the organization’s costs. These events ranged from fundraising opportunities, educational courses, and networking sessions. In-person events are planned over a year in advance and carry a significant up-front cost to secure the necessary venues and temporary event staff to begin planning.

As the pandemic persisted, the CHEST Foundation worked to cancel or postpone in-person events to reduce additional costs from disruptions due to mandatory lockdowns and restrictions on travel and large group gatherings. The CHEST Foundation experienced a $2.3 million reduction in revenues since 2019 and required the organization to leverage cash reserves to maintain full-time staff and transition in-person events to virtual events. For example, in February of 2020 the annual Irv Feldman fundraising event recognized $205,400 in revenue; however, due to COVID this annual event was not able to occur for the past 2 years. Additionally, there was little to no certainty of continued support from the Paycheck Payment Protection loans awarded to CHEST or continued pledged support from individual and organizational donors. This lack of financial stability and uncertainty forced the planning of potential layoffs and liquidation of investments to continue to support the needs of the organization. The requested amount of $125,000 is proportional in the expected revenue of a single in-person CHEST Foundation event. Revenue gained from these fundraising events are then used to support the direct costs of educational programs such as what is detailed below.

When reality set in that the pandemic was going to be more long-term than initially expected, The CHEST Foundation staff reduced overhead to what was necessary and reimagined all historically in-person events to a virtual setting to avoid further canceling or postponing existing programs and fundraising activities. During the pivot from in-person events to virtual events, the virtual Listening Tour was developed to uncover and better understand health disparities for those suffering with lung diseases. The result was the identification of a clear mistrust of the medical community by disproportionately vulnerable populations. In response to this finding, CHEST launched a DEI initiative to teach medical professionals empathetic listening skills, including identifying their own implicit biases, so they could become better communicators and help build back trust. This education is being designed as a blended learning model that includes in-person and online modules. This is increasingly important now as many people put off going to see their physicians during COVID and as a result, physicians are experiencing patients with much more severe cases of lung disease.

The CHEST Foundation has requested funding support from Bexar County to provide support in hosting an in-person health care professional workshop aimed at addressing very real health disparities for disadvantaged minority populations from a lack of trust between the patient and their clinicians.

In summary, The Chest Foundation has experienced financial hardship due to the COVID-19 pandemic that has resulted in a negative economic impact of at least $125,000.00 due to decreased revenue and/or increased costs.

- Perceived dismissive attitudes among physicians
- Lack of understanding and/or appreciation about social determinants of health
- Overuse of highly technical/medical terminology that can be intimidating to patients
- General cultural and philosophical differences that may contribute to implicit biases

The customized content will emphasize skills to reduce the barriers above, and to support the important role that communication and trust play in the patient/clinician relationship. Supported by in-person and virtual educational resources for each participant.

Appendix 1: Definitions

Appropriation: An act of Congress that allows Federal agencies to incur obligations and to make payments out of the Treasury for specified purposes.

Covered Benefits: The costs of all types of leave (vacation, family-related, sick, military, bereavement, sabbatical, jury duty), employee insurance (health, life, dental, vision), retirement (pensions, 401(k)), unemployment benefit plans (federal and state), workers' compensation insurance, and Federal Insurance Contributions Act taxes (which includes Social Security and Medicare taxes).

Essential work: Work involving regular in-person interactions or regular physical handling of items that were also handled by others. A worker would NOT be engaged in essential work and, accordingly may not receive premium pay, for telework performed from a residence.

Human services employees: employees providing or administering social services, public benefits, child welfare services, and child, elder, or family care

Premium Pay: An amount of up to $13 per hour that is paid to an eligible worker, in addition to wages or remuneration the eligible worker otherwise receives, for all work performed by the eligible worker during the COVID-19 public health emergency (i.e. since January 27, 2020). Such amount may not exceed $25,000 with respect to any single eligible worker.

Premium pay will be considered to be in addition to wages or remuneration the eligible worker otherwise receives if, as measured on an hourly rate, the premium pay is: 1. With regard to work that the eligible worker previously performed, pay and remuneration equal to the sum of all wages and remuneration previously received plus up to $13 per hour with no reduction, substitution, offset or other diminishment of the eligible worker’s previous, current or prospective wages or remuneration, or 2. With regard to work that the eligible worker continues to perform, pay of up to $13 that is in addition to the eligible worker’s regular rate of wages or remuneration, with no reduction, substitution, offset, or other diminishment of the workers' current and prospective wages or remuneration.

Obligations: Contracts or other binding commitments made by Federal agencies to pay out money for products, services, or other purposes distinct from actual payments. Obligations incurred may not be larger than available budget authority, grant authority, loan authority, or available funds for processing and advertising expenses.

Public health employees: employees involved in providing medical and other health services to patients and supervisory personnel, including medical staff assigned to schools, prisons, and other such institutions, and other support services essential for patient care (e.g., laboratory technicians, medical examiner or morgue staff) as well as employees of public health departments directly engaged in matters related to public health and related supervisory personnel.

Public safety employees: police officers (including state police officers), sheriffs and deputy sheriffs, firefighters, emergency medical responders, correctional and detention officers, and those who directly support such employees such as dispatchers and supervisory personnel.

Qualified Census Tract (QCT): Low-Income Housing Tax Credit Qualified Census Tracts must have 50 percent of households with incomes below 60 percent of the Area Median Gross Income (AMGI) or have a poverty rate of 25 percent or more. Difficult Development Areas (DDA) are areas with high land, construction and utility costs relative to the area median income and are based on Fair Market Rents, income limits, the 2010 census counts, and 5-year American Community Survey (ACS) data.
Appendix 2: Expenditure Categories

The Expenditure Categories (EC) listed below must be used to categorize each project. The term “Expenditure Category” refers to the detailed level (e.g., 1.1 COVID-19 Vaccination). When referred to as a category (e.g., EC 1) it includes all Expenditure Categories within that level.

* Denotes areas where recipients must identify the amount of the total funds that are allocated to evidence-based interventions (see Use of Evidence section above for details). Please note the evidence-based questions are only applicable to States, U.S. Territories, and metropolitan cities and counties with population over 250,000.

^Denotes areas where recipients must report on whether projects are primarily serving disproportionately impacted communities (see Project Demographic Distribution section above for details).

INVOICE GUIDANCE

Purpose

The purpose of this document is to provide invoicing guidance and describe responsibilities, procedures, and instructions governing the review and approval of invoice payments to grant recipients. This guidance will help ensure that invoices are properly and consistently reviewed and analyzed in a standardized manner prior to making payments to grant recipients.

Terms of Payment

Grant payments occur on a reimbursement basis, meaning that payment will be made after the eligible expense has been incurred and paid by the grant recipient. The grant recipient must request reimbursement of expenses by submitting a signed invoice and completed invoice package. Invoice packages must include required documentation of expenses.

All grantees need to track project expenses accurately using the same expense categories as in the approved budget included in the executed agreement. To be eligible for reimbursement, all expenses must meet all applicable requirements of the executed agreement.

Invoices and documentation

Invoices are due to our office on a monthly basis. Grantees should invoice Bexar County for project costs and send copies of receipts or other documentation that confirms that vendors, consultants, personnel, etc. have been paid. Documentation must demonstrate that costs are: reasonable, accurate and allowable; within grant limits; and treated consistently.

Documentation must include, but is not limited to:

- Itemized receipt or vendor invoice - merchant name, transaction date, amount paid, list of items purchased, list of any additional charges, form of payment used
- Timesheets - Signed timesheet indicating hours allocated to grants/ project
- Proof of Payment - Payroll Log, cancelled check (front and back), Monthly Credit Card/Bank statement demonstrating purchase
Typical Invoice Problems

- Missing timesheets/unsigned timesheets
- Disallowed Costs (taxes, unapproved expenditures)
- Math errors
- Submitting proposal instead of invoice
- Incorrect/missing shipment information on receipts (Amazon orders)
- Missing details on receipt – date, vendor address
- Submitting credit card or bank statements instead of vendor receipts

Disallowed costs

- Items paid for with a gift card will most likely not be reimbursed
- Sales taxes are not reimbursed
- Purchases not in line with the award or approved budget line items will not be reimbursed. For example: paying for a catered lunch or lunches for group meeting – if it was not listed on the Project Budget it will not be approved

Performance Reports

Performance reports must be submitted monthly accompanying your invoice. These reports describe the Grantees accomplishments and share achievements and progress made towards program goals and to ensure accountability and transparency in the use of County funds. Progress reports contain updates on activities and align with expenditures that occurred since the previous report. The information provided is used by the County when reviewing an invoice and to keep up on project progress and to ensure compliance with contractual requirements.

Performance supporting documentation including, but not limited to, newspaper articles, brochures, flyers, meeting notices, meeting minutes, training agendas, attendance rosters and any information that would support or authenticate the progress of performance relating to the terms of the grant agreement should also be submitted.
