Project: **Walzem Road**

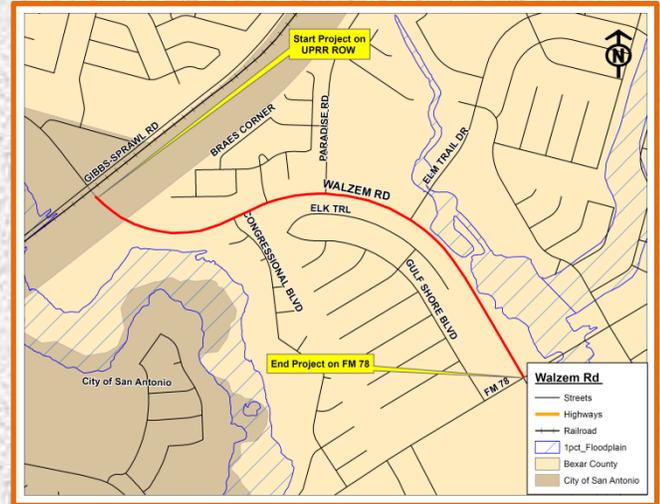

Precinct: 4

Location / Limits:

Union Pacific Railroad ROW to
FM 78

Scope:

The proposed improvements will rehabilitate the existing five lane urban configuration by incorporating a new pavement section, bus pads, necessary drainage, and pedestrian amenities within a 120' ROW (typical). Un-signalized intersections are located at Congressional Blvd, Archers Grove and Paradise Road. Elm Trail Drive is the only signalized intersection.
