REQUEST FOR SPEED HUMP INVESTIGATION

The following is a request form for speed humps. This form must be submitted with a formal request by letter from the homeowners' association (HOA) representative (or property owners' representative) along a public street to the Bexar County Traffic Engineer who will get approval from the appropriate Commissioner to conduct a study. Bexar County does not have a funding program for speed humps, and the HOA or property owners are responsible for the cost of installation if speed humps are warranted. Each request must contain the completed information as indicated in sections A, B and C.

A. STREET STUDY INFORMATION

Each request must provide a name of the street on which a study is requested, and the boundaries of the street segment. Traffic studies will be conducted only within the boundaries indicated. Please use street names for boundary limits, not block ranges.

Requested Street: _____

Boundary Area

From: _____

To: _____

Example:

B. CONTACT PERSON INFORMATION

Each request must provide a contact person who represents the HOA, or lives on the requested street within the study boundary area if no HOA exists. The contact person will receive all correspondence and will be responsible for gathering evidence of support and petition.

Name: _____

Address: _____

City, State, Zip: _____

Phone: _____

Homeowners' Association: _____

C. EVIDENCE OF NEIGHBORHOOD SUPPORT

Please provide evidence of neighborhood support for the speed humps by securing at least ten (10) signatures representing ten (10) different household whose property abuts the street segment identified in Section A.

We, the undersigned owners and residents of _____, hereby offer our support for speed humps located on the requested street and boundary area identified in Section A. We understand that the HOA or property owners are responsible for the cost of installation, which range from \$11,000 - \$15,000, if speed humps are warranted.
