# Creating a new account

## Welcome to STEERS, the State of Texas Environmental Electronic Reporting System.

### Here is what you can do online in STEERS:

#### e-Permitting/Registration:

- » Petroleum Storage Tank (PST) Self-Certifications
- » Storm Water General Permits

#### e-Reporting:

- » Air Emissions & Maintenance Events (AEME) Reporting
- » Discharge Monitoring Reports (eDMR)
- » Industrial & Hazardous Waste (IHW) NOR and Summaries
- » Training Roster Online Submittal (TROLS)

See [details of what you can do](#).

This is STEERS version 5.4. See [more about STEERS](#).

Enter **STEERS**:

ER Account Number:

Password:

#### I need:

- [my password](#)
- [to create a new account](#)
- [to authorize another user's account](#)

#### Find Out When STEERS Will Be **Offline**

We do our best to ensure that STEERS is online when you need it. But for upgrades, security measures, and other maintenance, we must bring STEERS or one of its modules offline. We cannot predict emergency outages, but for scheduled downtimes, see our [STEERS maintenance schedule](#).

---

## **Welcome to the Online STEERS Participation Agreement (SPA) Application!**

### **To create a new STEERS account:**

1. You need the list of program areas and/or Ids to add to the account. For instructions, please click on the [Help](#) link located in the right-hand corner of the header.
2. Press the Create New Account button below.
3. The STEERS account and password will be emailed to the address you provided when the account is created.

### **New STEERS Account Information:**

- New accounts are probationary and have limited access until STEERS receives a signed hard-copy SPA or the SPA is signed electronically using the account holder's Texas Drivers License. The signed SPA must be received to meet the EPA and legal requirements for electronic signatures. If a signed SPA is not received by the STEERS team within:
  - **15 days** of the creation date, the account will be locked.
  - **30 days** of the creation date, the account will be archived.
- Only one account may be created in a 5-minute interval and only 20 accounts may be created in a 24-hour period
- Each STEERS account must have a unique e-mail address.
- A STEERS account is owned by an individual and not a company.

**Note:** To update an existing STEERS account, you must press Exit Application and log into STEERS.

Access	Site Relationship	Authorized By	Status	Last Modified
Storm Water Sign and Submit	The Facility	Joe Smith	Probation	

As an account holder and submitter of data, I agree

1. to protect my password from use by anyone except me, to maintain the secrecy of my password by not revealing it to anyone else, and to change it if I believe it becomes known to any other person;
2. to report to the TCEQ STEERS help line, within twenty-four (24) hours of discovery, any evidence of the loss, theft, or other compromise of my user account or password;
3. to notify the TCEQ STEERS help line if I cease to represent any of the sites named above as a preparer and or submitter of that organization's electronic reports to STEERS as soon as this change in relationship occurs.
4. and understand that I will be held as legally bound, obligated, or responsible for any electronic submittal using my account and password as I would be using my hand-written signature, and that legal action can be taken against me based on the use of my account and password in submitting an electronic document to the TCEQ;
5. to review the acknowledgments and copies of documents submitted electronically using my account and PIN to STEERS;
6. to report to the TCEQ STEERS help line, within twenty-four (24) hours of discovery, any evidence of discrepancy between an electronic document I have submitted and what STEERS has received from me;
7. that in no event will the TCEQ be liable to me or my employer for any special, consequential, indirect or similar damages, including any lost profits or lost data arising out of the use or inability to use the software or of any data supplied therewith even if the TCEQ or anyone else has been advised of the possibility of such damages, or for any claim by any other party. The TCEQ disclaims all warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, with respect to the software and the accompanying written materials.
8. that data electronically submitted using this Account shall also be considered to contain the following certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for knowingly submitting false information, including the possibility of fine and imprisonment.

9. that data in the work area that has not gone through the action of submittal (caused by pressing the submit button) is not considered to be submitted data. Even though the data resides on a TCEQ controlled computer, it is considered to be in draft form and will not be considered to meet any reporting requirements until I have taken action to submit the data. This **CNOI** application will appear on your "Activities" page as long as it is awaiting an action that you can perform. To track this application, you will need the following information:

- **Application Reference Number: 9935**
- **Application Password: py5a6p**

### About This Password

You may change this password at any time. To change it, use [Set Access Rights](#) now or at anytime from your "Activities" page.

### Allowing Others Access

If you want other STEERS ER account holders to be able to view or work on this application, you have two options.

- **Option 1: Give Them its Reference Number and Password.**
  - This is the more secure choice. Users who access the application this way will not be able to change access rights to it.
  - Be sure that their STEERS Participation Agreement is consistent with the work they should do on this application. If their SPA allows them to sign, pay for, and submit applications, they will be able to sign, pay, and submit this application.
  - This application will not appear in the list on their "Activities" page. To get it, they will have to click the "Access" button and then enter its reference number and password.
- **Option 2: Use [Set Access Rights](#) to Add Their STEERS ER Account Number to The Application.**

## TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

*Protecting Texas by Reducing and Preventing Pollution*

Dear Applicant:

Re: TPDES General Permit for Construction Storm Water Runoff  
Storm Water Notice of Intent Authorization

Your Notice of Intent application for authorization under the general permit for discharge of storm water associated with construction activities has been received. Pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality, the Division Director of the Water Quality Division has issued the enclosed Certificate.

Please refer to the attached certificate for the identification number that was assigned to your project/site and the effective date. Please use this number to reference this project/site for future communications with the Texas Commission on Environmental Quality (TCEQ).

Authorization under the Edwards Aquifer Protection Program is required before construction can begin where the site is located within the Edwards Aquifer Recharge Zone, Contributing Zone, or Contributing Zone within the Transition Zone.

See [http://www.tceq.state.tx.us/compliance/field\\_ops/eapp/program.html](http://www.tceq.state.tx.us/compliance/field_ops/eapp/program.html) for additional information.

A Notice of Termination must be submitted when permit coverage is no longer needed. You may submit the Notice of Termination form electronically as well. **It is the responsibility of the Operator to notify the TCEQ Storm Water Processing center of any change in address supplied on the original Notice of Intent**

**Permit, keep for your records**

**TEXAS COMMISSION ON ENVIRONMENTAL QUALITY**  
Texas Pollutant Discharge Elimination System  
Storm Water Construction General Permit

The Notice of Intent (NOI) for the facility listed below was received on August 28, 2008. The intent to discharge storm water associated with construction activity under the terms and conditions imposed by the Texas Pollutant Discharge Elimination System (TPDES) storm water construction general permit TXR150000 is acknowledged. Your facility's TPDES construction storm water general permit number is:

**TXR15MI50**  
Coverage Effective: August 28, 2008

TCEQ's storm water construction general permit requires certain storm water pollution prevention and control measures, possible monitoring and reporting, and periodic inspections. Among the conditions and requirements of this permit, you must have prepared and implemented a storm water pollution prevention plan (SWP3) that is tailored to your construction site. As a facility authorized to discharge under the storm water construction general permit, all terms and conditions must be complied with to maintain coverage and avoid possible penalties.
