

**Bexar County Dispute Resolution Center
AIM PEER MEDIATION PROGRAM**

MEDIA RELEASE FORM

The "Amigos in Mediation" (AIM) Peer Mediation Training Program, which is administered by the Bexar County Dispute Resolution Center (BCDRC), works with local schools to establish and maintain peer mediation programs. Through these programs, students learn non-violent means of managing anger and resolving their conflicts without the intervention of school staff. To promote the use of peer mediation, the AIM Program Coordinator writes articles and submits photographs of student peer mediators for publication in newsletters of related organizations, other printed materials, and websites of related organizations. Such publications are distributed to and displayed at public schools and community fairs throughout Bexar County. Your child has been selected to participate in an activity which will be part of this promotional effort.

Your written permission is required in order for your child to be included in any photographs or training videos. Please sign this form to grant your permission for this activity. Please return your signed form to _____, peer mediation sponsor at _____.

PLEASE PRINT:

STUDENT NAME: _____

PARENT/GUARDIAN NAME: _____

ADDRESS: _____

By signing this form, I authorize my child to be photographed during AIM Peer Mediation Program training and related activities. I understand these photographs may be used in publications and printed materials promoting the AIM Peer Mediation Training Program. I further understand that these publications and printed materials may be displayed at public schools throughout Bexar County and other locations deemed appropriate by the AIM Program, including the BCDRC website and websites of related organizations. I understand that all photographs taken during the photography session will remain the property of the Bexar County Dispute Resolution Center.
