Effective Date
Subsequent to approval of this Citizen Participation Plan by the County, the Plan shall be effective until it is amended or otherwise replaced.

B. Encouragement of Citizen Participation

General
The County provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Assessment of Fair Housing, the Consolidated Plan, the Annual Action Plan, and the CAPER. The County encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods. With respect to the public participation initiatives included in this Plan, the County will take appropriate actions to
encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

**Non-English Speakers**

The County has determined that non-English Spanish speakers who speak English less than very well comprise 28.5% of its population age 5 years and older based on 2010-2014 American Community Survey data. Copies of the Plan, as well as summaries of basic information about the CDBG and HOME programs and the documents covered by this Plan, are available in Spanish. Residents needing materials in Spanish should contact the County contact, or the designee.

When community meetings, focus groups or stakeholder interviews are conducted in accordance with this Plan, the County will provide Spanish translation services at locations where it is anticipated that non-English Spanish speakers will attend. In addition, the County will provide a Spanish version of all handouts, agendas, surveys and other materials at meetings where it is anticipated that non-English Spanish speakers will attend.

**Persons with Disabilities**

The County will conduct all public meetings in locations that are handicapped-accessible. Provisions will be made to accommodate individuals who require interpreter services for the deaf, auxiliary aides or services when requests are made at least five calendar days prior to the public meeting.

**Low- and Moderate-Income Persons**

The County will conduct at least one public meeting in a community that contains 51% or more low- and moderate-income residents based on current HUD data.

**Organizations and Agencies**

The County encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings held during the development, revision, amendment, adoption and implementation processes for all documents covered by this Plan.

**Local Public Housing Authorities**

The County encourages, in consultation with local public housing agencies, the participation of residents of any public housing developments located within the County, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The County will provide information to the executive directors of the San Antonio Housing Authority, Bexar County Housing Authority, and the Schertz Housing Authority about the Assessment of Fair Housing, its affirmatively furthering fair housing strategy, and Consolidated Plan activities related to the public housing developments and communities so that the housing authorities can make this information available at the annual public hearings required for their respective Public Housing Authority Plans. The County encourages participation by resident advisory
boards and resident councils of local public housing authorities. This will be carried out by providing to the local housing authorities information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan.

**Online Access**
The County will post draft copies and final copies of all documents covered by this Plan on its website accessible at [https://www.bexar.org/493/Community-Resources](https://www.bexar.org/493/Community-Resources).

**Other Engagement Techniques**
The Citizen Participation Plan has been and will continue to be amended as the County continues to gain access to technology that improves the avenues of participation by its residents.

**Technical Assistance**
Bexar County Department of Community Development & Housing staff are available to assist Urban County Participating Cities, organizations and other eligible individuals that are interested in submitting a proposal to obtain funding through the programs covered by this Plan. All potential applicants are strongly encouraged to contact the Department of Community Development & Housing for technical assistance before initiating a funding request application.
